UPDATES AND FIELD NOTES:																																																			
		This project will be split into 3 phases. Phase 1 will be from South Concho Drive to Harris Street. Phase 2 will be from Harris Street to Loop 306. Phase 3 will be from Loop 306 to Old Ballinger Highway. Freese and Nichols is performing the design of this project. Phase 1 will begin immediately after design is complete. The order of Phase 1 and 2 of Bell Street may change based on the contractor's recommendation for timing after taking into account all aspects of the project including water, wastewater, and streets.																																																	
		This project has been delayed so the City can correct some Right-of-Way issues discovered during the design phase.
