The U.S. Small Business Administration (SBA) is offering low-interest disaster loans to non-farm businesses of all sizes, private nonprofits, homeowners and renters who suffered losses caused by the wildfires that occurred June 23 through June 26, 2017. Types of loans available are:

Individuals and Families:

Homeowners: up to \$200,000 to repair or replace real estate damage and up to \$40,000 to replace personal property.

Renters: up to \$40,000 to repair or replace personal property.

Businesses:

Property Damage: up to \$2,000,000 to repair or replace real estate, machinery and equipment, inventory and other assets that were damaged or destroyed (available to businesses of *any size* and private, non-profit organizations).

Economic Injury: only for *small* businesses and most private non-profit organizations suffering adverse financial impacts of the disaster (*with or without* property loss), up to \$2,000,000 for working capital to help pay obligations until normal operations resume.
