Sec. 258.002. PURPOSE.

(a) The purpose of this chapter is to encourage every candidate and political committee to subscribe to the Code of Fair Campaign Practices.

(b) It is the intent of the legislature that every candidate and political committee that subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play to encourage healthy competition and open discussion of issues and candidate qualifications and to discourage practices that cloud the issues or unfairly attack opponents.

Sec. 258.003. DELIVERY OF COPY OF CODE.

(a) When a candidate or political committee files its campaign treasurer appointment, the authority with whom the appointment is filed shall give the candidate or political committee a blank form of the Code of Fair Campaign Practices and a copy of this chapter.

(b) The authority shall inform each candidate or political committee that the candidate or committee may subscribe to and file the code with the authority and that subscription to the code is voluntary.

Sec. 258.004. TEXT OF CODE. The Code of Fair Campaign Practices reads as follows:

CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play that every candidate and political committee in this state has a moral obligation to observe and uphold, in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional rights to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

(1) I will conduct the campaign openly and publicly and limit attacks on my opponent to legitimate challenges to my opponent's record and stated positions on issues.

(2) I will not use or permit the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or the candidate's personal or family life.

(3) I will not use or permit any appeal to negative prejudice based on race, sex, religion, or national origin.

(4) I will not use campaign material of any sort that misrepresents, distorts, or otherwise falsifies the facts, nor will I use malicious or unfounded accusations that aim at

creating or exploiting doubts, without justification, as to the personal integrity or patriotism of my opponent.

(5) I will not undertake or condone any dishonest or unethical practice that tends to corrupt or undermine our system of free elections or that hampers or prevents the full and free expression of the will of the voters, including any activity aimed at intimidating voters or discouraging them from voting.

(6) I will defend and uphold the right of every qualified voter to full and equal participation in the electoral process, and will not engage in any activity aimed at intimidating voters or discouraging them from voting.

(7) I will immediately and publicly repudiate methods and tactics that may come from others that I have pledged not to use or condone. I shall take firm action against any subordinate who violates any provision of this code or the laws governing elections.

I, the undersigned, candidate for election to public office in the State of Texas or campaign treasurer of a political committee, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct the campaign in accordance with the above principles and practices.

APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE

GENERAL INSTRUCTIONS

These instructions are for the APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (Form CTA). Use Form CTA only for appointing your campaign treasurer. Use the AMENDMENT (Form ACTA) for changing information previously reported on Form CTA and for renewing your choice to report under the modified schedule. Note: Candidates for most judicial offices use Form JCTA to file a campaign treasurer appointment.

DUTIES OF A CANDIDATE OR OFFICEHOLDER. As a candidate or officeholder, you alone, not the campaign treasurer, are responsible for filing this form and all candidate/officeholder reports of contributions, expenditures, and loans. Failing to file a report on time or filing an incomplete report may subject you to criminal or civil penalties.

QUALIFICATIONS OF CAMPAIGN TREASURER. A person is ineligible for appointment as a campaign treasurer if the person is the campaign treasurer of a political committee that has outstanding filing obligations (including outstanding penalties). This prohibition does not apply if the committee in connection with which the ineligibility arose has not accepted more than \$5,000 in political contributions or made more than \$5,000 in political expenditures in any semiannual reporting period. A person who violates this prohibition is liable for a civil penalty not to exceed three times the amount of political contributions accepted or political expenditures made in violation of this provision. Note: A candidate may appoint himself or herself as his or her own campaign treasurer.

DUTIES OF A CAMPAIGN TREASURER. State law does not impose any obligations on a candidate's campaign treasurer.

REQUIREMENT TO FILE BEFORE BEGINNING A CAMPAIGN. If you plan to run for a public office in Texas (except for a federal office), you must file this form when you become a candidate even if you do not intend to accept campaign contributions or make campaign expenditures. A "candidate" is a person who knowingly and willingly takes affirmative action for the purpose of gaining nomination or election to public office or for the purpose of satisfying financial obligations incurred by the person in connection with the campaign for nomination or election. Examples of affirmative action include:

- (A) the filing of a campaign treasurer appointment, except that the filing does not constitute candidacy or an announcement of candidacy for purposes of the automatic resignation provisions of Article XVI, Section 65, or Article XI, Section 11, of the Texas Constitution;
- (B) the filing of an application for a place on the ballot;
- (C) the filing of an application for nomination by convention;

- (D) the filing of a declaration of intent to become an independent candidate or a declaration of write-in candidacy;
- (E) the making of a public announcement of a definite intent to run for public office in a particular election, regardless of whether the specific office is mentioned in the announcement;
- (F) before a public announcement of intent, the making of a statement of definite intent to run for public office and the soliciting of support by letter or other mode of communication;
- (G) the soliciting or accepting of a campaign contribution or the making of a campaign expenditure; and
- (H) the seeking of the nomination of an executive committee of a political party to fill a vacancy.

Additionally, the law provides that you must file this form before you may accept a campaign contribution or make or authorize a campaign expenditure, including an expenditure from your personal funds. A filing fee paid to a filing authority to qualify for a place on a ballot is a campaign expenditure that may not be made before filing a campaign treasurer appointment form with the proper filing authority.

If you are an officeholder, you may make officeholder expenditures and accept officeholder contributions without having a campaign treasurer appointment on file. If you do not have a campaign treasurer appointment on file and you wish to accept *campaign* contributions or make *campaign* expenditures in connection with your office or for a different office, you must file this form before doing so. In such a case, a sworn report of contributions, expenditures, and loans will be due no later than the 15th day after filing this form.

WHERE TO FILE A CAMPAIGN TREASURER APPOINTMENT. The appropriate filing authority depends on the office sought or held.

a. Texas Ethics Commission. The Texas Ethics Commission is the appropriate filing authority for the Secretary of State and for candidates for or holders of the following offices:

- Governor, Lieutenant Governor, Attorney General, Comptroller, Treasurer, Land Commissioner, Agriculture Commissioner, Railroad Commissioner.
- State Senator or State Representative.
- Supreme Court Justice, Court of Criminal Appeals Judge, and Court of Appeals Judge.*
- State Board of Education.
- A multi-county district judge* or multi-county district attorney.
- A single-county district judge.*

- An office of a political subdivision other than a county if the political subdivision includes areas in more than one county and if the governing body of the political subdivision has not been formed.
 - A chair of the state executive committee of a political party with a nominee on the ballot in the most recent gubernatorial election.
 - A county chair of a political party with a nominee on the ballot in the most recent gubernatorial election if the county has a population of 350,000 or more.
- * Judicial candidates use FORM JCTA to appoint a campaign treasurer.

b. County Clerk. The county clerk (or the county elections administrator or tax assessor, as applicable) is the appropriate local filing authority for a candidate for:

- A county office.
- A precinct office.
- A district office (except for multi-county district offices).
- An office of a political subdivision other than a county if the political subdivision is within the boundaries of a single county and if the governing body of the political subdivision has not been formed.

c. Local Filing Authority. If a candidate is seeking an office of a political subdivision other than a county, the appropriate filing authority is the *clerk or secretary of the governing body* of the political subdivision. If the political subdivision has no clerk or secretary, the appropriate filing authority is the governing body's presiding officer. Basically, any political subdivision that is authorized by the laws of this state to hold an election is considered a local filing authority. Examples are cities, school districts, and municipal utility districts.

FILING WITH A DIFFERENT AUTHORITY. If you have a campaign treasurer appointment on file with one authority, and you wish to accept campaign contributions or make or authorize campaign expenditures in connection with another office that would require filing with a different authority, you must file a new campaign treasurer appointment *and* a copy of your old campaign treasurer appointment (certified by the old authority) with the new filing authority before beginning your campaign. You should also provide written notice to the original filing authority that your future reports will be filed with another authority.

FORMING A POLITICAL COMMITTEE. As a candidate, you must file an APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM CTA). You may also form a specific-purpose committee to support your candidacy. Remember that filing a campaign treasurer appointment for a political committee does not eliminate the requirement that a candidate file his or her own campaign treasurer appointment (FORM CTA) and the related reports.

NOTE: See the *Campaign Finance Guide for Political Committees* for further information about specific-purpose committees.

CHANGING A CAMPAIGN TREASURER. If you wish to change your campaign treasurer, simply file an amended campaign treasurer appointment (FORM ACTA). This will automatically terminate the outgoing campaign treasurer appointment.

AMENDING A CAMPAIGN TREASURER APPOINTMENT. If *any* of the information reported on the campaign treasurer appointment (FORM CTA) changes, file an AMENDMENT: APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM ACTA) to report the change.

REPORTING REQUIREMENT FOR CERTAIN OFFICEHOLDERS. If you are an officeholder who appoints a campaign treasurer after a period of not having one, you must file a report of contributions, expenditures, and loans no later than the 15th day after your appointment is effective. This requirement is not applicable if you are a candidate or an officeholder who is merely changing campaign treasurers.

TERMINATING A CAMPAIGN TREASURER APPOINTMENT. You may terminate your campaign treasurer appointment at any time by:

- 1) filing a campaign treasurer appointment for a successor campaign treasurer, or
- 2) filing a final report.

Remember that you may not accept any campaign contributions or make or authorize any campaign expenditures without a campaign treasurer appointment on file. You may, however, accept officeholder contributions and make or authorize officeholder expenditures.

If your campaign treasurer quits, he or she must give written notice to both you and your filing authority. The termination will be effective on the date you receive the notice or on the date your filing authority receives the notice, whichever is later.

FILING A FINAL REPORT. For filing purposes, you are a “candidate” as long as you have an appointment of campaign treasurer on file. If you do not expect to accept any further campaign contributions or to make any further campaign expenditures, you may file a final report of contributions and expenditures. A final report terminates your appointment of campaign treasurer and relieves you of the obligation of filing further reports as a candidate. If you have surplus funds, or if you retain assets purchased with political funds, you will be required to file annual reports. (*See instructions for FORM C/OH - UC.*) If you are an officeholder at the time of filing a final report, you may be required to file semiannual reports of contributions, expenditures, and loans as an officeholder.

If you do not have an appointment of campaign treasurer on file, you may not accept *campaign* contributions or make *campaign* expenditures. A payment on a campaign debt is a campaign expenditure. An officeholder who does not have an appointment of campaign treasurer on file may accept *officeholder* contributions and make *officeholder* expenditures.

To file a final report, you must complete the CANDIDATE/OFFICEHOLDER CAMPAIGN FINANCE REPORT (FORM C/OH), check the “final” box on Page 1, Section 9, and complete and attach the DESIGNATION OF FINAL REPORT (FORM C/OH-FR).

ELECTRONIC FILING. All persons filing campaign finance reports with the Texas Ethics Commission are required to file those reports electronically unless the person is entitled to claim an exemption. Please check the Ethics Commission’s website at <http://www.ethics.state.tx.us> for information about exemptions from the electronic filing requirements.

GUIDES. All candidates should review the applicable Ethics Commission’s campaign finance guide. Guides are available on the Ethics Commission’s website at <http://www.ethics.state.tx.us>.

- 10. CANDIDATE SIGNATURE:** Enter your signature after reading the summary. Your signature here indicates that you have read the following summary of the nepotism law; that you are aware of your responsibility to file timely reports; and that you are aware of the restrictions on contributions from corporations and labor organizations.
- The Texas nepotism law (Government Code, chapter 573) imposes certain restrictions on both officeholders and candidates. You should consult the statute in regard to the restrictions applicable to officeholders.
 - A candidate may not take an affirmative action to influence an employee of the office to which the candidate seeks election in regard to the appointment, confirmation, employment or employment conditions of an individual who is related to the candidate within a prohibited degree.
 - A candidate for a multi-member governmental body may not take an affirmative action to influence an officer or employee of the governmental body to which the candidate seeks election in regard to the appointment, confirmation, or employment of an individual related to the candidate in a prohibited degree.
 - Two people are related within a prohibited degree if they are related within the third degree by consanguinity (blood) or the second degree by affinity (marriage). The degree of consanguinity is determined by the number of generations that separate them. If neither is descended from the other, the degree of consanguinity is determined by adding the number of generations that each is separated from a common ancestor. Examples: (1) first degree - parent to child; (2) second degree - grandparent to grandchild; or brother to sister; (3) third degree - great-grandparent to great-grandchild; or aunt to niece who is child of individual's brother or sister. A husband and wife are related in the first degree by affinity. A wife has the same degree of relationship by affinity to her husband's relatives as her husband has by consanguinity. For example, a wife is related to her husband's grandmother in the second degree by affinity.

PAGE 2

- 11. CANDIDATE NAME:** Enter your name as you did on Page 1.
- 12. MODIFIED REPORTING DECLARATION:** Sign this option if you wish to report under the modified reporting schedule.

The modified reporting option is not available for candidates for the office of state chair of a political party.

To the left of your signature, enter the year of the election or election cycle to which your selection of modified reporting applies.

Your selection of modified reporting is valid for an entire election cycle. For example, if you choose modified reporting before a primary election, your selection remains in effect for any runoff and for the general election and any related runoff. You must make this selection at least 30 days before the first election to which your selection applies.

An opposed candidate in an election is eligible to report under the modified reporting schedule if he or she does not intend to accept more than \$500 in political contributions or make more than \$500 in political expenditures in connection with an election. The amount of a filing fee paid to qualify for a place on the ballot does not count against the \$500 expenditure limit. An opposed candidate who reports under the modified schedule is not required to file pre-election reports (due 30 days and 8 days before an election) or runoff reports (due 8 days before a runoff). (Note: An *unopposed* candidate is not required to file pre-election reports in the first place.) The obligations to file semiannual reports, special pre-election reports (formerly known as telegram reports), or special session reports, if applicable, are not affected by selecting the modified schedule.

The \$500 maximums apply to each election within the cycle. In other words, you are limited to \$500 in contributions and expenditures in connection with the primary, an additional \$500 in contributions and expenditures in connection with the general election, and an additional \$500 in contributions and expenditures in connection with a runoff.

EXCEEDING \$500 IN CONTRIBUTIONS OR EXPENDITURES. If you exceed \$500 in contributions or expenditures in connection with an election, you must file according to the regular filing schedule. In other words, you must file pre-election reports and a runoff report, if you are in a runoff.

If you exceed either of the \$500 limits *after the 30th day before the election*, you must file a sworn report of contributions and expenditures within 48 hours after exceeding the limit. After that, you must file any pre-election reports or runoff reports that are due under the regular filing schedule.

Your selection is not valid for other elections or election cycles. Use the amendment form (ACTA) to renew your option to file under the modified schedule for a different election year or election cycle.

For more information, see the Ethics Commission’s campaign finance guide that applies to you.

If your campaign treasurer's street address has changed, enter the complete new address of your campaign treasurer, including the zip code. You may enter either the treasurer's new business or residential street address. If you are your own treasurer, you may enter either your business or residential street address. Please do not enter a P.O. Box.

11. CAMPAIGN TREASURER PHONE: Complete this section only if your campaign treasurer’s phone number has *changed*. If your campaign treasurer’s phone number has changed, enter the new phone number of your campaign treasurer, including the area code and extension, if applicable.

12. CANDIDATE SIGNATURE: Enter your signature after reading the summary. Your signature here indicates that you have read the following summary of the nepotism law; that you are aware of your responsibility to file timely reports; and that you are aware of the restrictions on contributions from corporations and labor organizations.

- The Texas nepotism law (Government Code, chapter 573) imposes certain restrictions on both officeholders and candidates. You should consult the statute in regard to the restrictions applicable to officeholders.
- A candidate may not take an affirmative action to influence an employee of the office to which the candidate seeks election in regard to the appointment, confirmation, employment or employment conditions of an individual who is related to the candidate within a prohibited degree.
- A candidate for a multi-member governmental body may not take an affirmative action to influence an officer or employee of the governmental body to which the candidate seeks election in regard to the appointment, confirmation, or employment of an individual related to the candidate in a prohibited degree.
- Two people are related within a prohibited degree if they are related within the third degree by consanguinity (blood) or the second degree by affinity (marriage). The *degree of consanguinity* is determined by the number of generations that separate them. If neither is descended from the other, the degree of consanguinity is determined by adding the number of generations that each is separated from a common ancestor. **Examples:** (1) first degree - parent to child; (2) second degree - grandparent to grandchild; or brother to sister; (3) third degree - great-grandparent to great-grandchild; or aunt to niece who is child of individual’s brother or sister. A husband and wife are related in the first degree by affinity. A wife has the same degree of relationship by affinity to her husband’s relatives as her husband has by consanguinity. For example, a wife is related to her husband’s grandmother in the second degree by affinity.

Note: The changes you have made on this form will replace the information on your previous APPOINTMENT form (Form CTA).

PAGE 2

13. CANDIDATE NAME: Enter your name as you did on Page 1, Section 1.

14. MODIFIED REPORTING DECLARATION: Sign this option if you wish to report under the modified reporting schedule.

The modified reporting option is not available for candidates for the office of state chair of a political party.

To the left of your signature, enter the year of the election or election cycle to which your selection of modified reporting applies.

Your selection of modified reporting is valid for an entire election cycle. For example, if you choose modified reporting before a primary election, your selection remains in effect for any runoff and for the general election and any related runoff. You must make this selection at least 30 days before the first election to which your selection applies.

An opposed candidate in an election is eligible to report under the modified reporting schedule if he or she does not intend to accept more than \$500 in political contributions or make more than \$500 in political expenditures in connection with an election. The amount of a filing fee paid to qualify for a place on the ballot does not count against the \$500 expenditure limit. An opposed candidate who reports under the modified schedule is not required to file pre-election reports (due 30 days and 8 days before an election) or runoff reports (due 8 days before a runoff). (Note: An *unopposed* candidate is not required to file pre-election reports in the first place.) The obligations to file semi-annual reports, special pre-election reports (formerly known as telegram reports), or special session reports, if applicable, are not affected by selecting the modified schedule.

The \$500 maximums apply to each election within the cycle. In other words, you are limited to \$500 in contributions and expenditures in connection with the primary, an additional \$500 in contributions and expenditures in connection with the general election, and an additional \$500 in contributions and expenditures in connection with a runoff.

Exceeding \$500 in contributions or expenditures. If you exceed \$500 in contributions or expenditures in connection with an election, you must file according to the regular schedule. In other words, you must file pre-election reports and a runoff report, if you are in a runoff.

If you exceed either of the \$500 limits *after the 30th day before the election*, you must file a sworn report of contributions and expenditures within 48 hours after exceeding the limit. After that, you must file any pre-election reports or runoff reports that are due under the regular filing schedule.

Your selection is not valid for other elections or election cycles. Use another amendment form (ACTA) to renew your option to file under the modified schedule.

For more information, see the Ethics Commission's campaign finance guide that applies to you.

TEXAS ETHICS COMMISSION
2016 FILING SCHEDULE FOR REPORTS DUE IN CONNECTION WITH
ELECTIONS HELD ON UNIFORM ELECTION DATES

This is a filing schedule for reports to be filed in connection with elections held on uniform election dates in May and November. Examples of elections held on uniform election dates are elections for school board positions and city offices. The uniform election dates in 2016 are May 7 and November 8.

Candidates and officeholders must file semiannual reports (due on January 15, 2016, and July 15, 2016). In addition, a candidate who has an opponent on the ballot in an election held on a uniform election date must file two pre-election reports (unless the candidate has elected modified reporting).

The campaign treasurer of a political committee that is involved in an election held on a uniform election date must also file pre-election reports (unless the committee is a general-purpose political committee that files monthly or a specific-purpose political committee that files on the modified reporting schedule). This schedule sets out the due dates for pre-election reports in connection with elections on uniform election dates. Please consult the 2016 REGULAR FILING SCHEDULE FOR GENERAL-PURPOSE POLITICAL COMMITTEES (GPAC), COUNTY EXECUTIVE COMMITTEES (CEC), AND SPECIFIC-PURPOSE POLITICAL COMMITTEES (SPAC) for a complete listing of political committee deadlines.

Candidates for and officeholders in local offices regularly filled at the general election for state and county officers (the November election in even-numbered years) should use the 2016 FILING SCHEDULE FOR CANDIDATES AND OFFICEHOLDERS FILING WITH THE COUNTY CLERK OR ELECTIONS ADMINISTRATOR.

EXPLANATION OF THE FILING SCHEDULE CHART

COLUMN I: REPORT DUE DATE - This is the date by which the report must be filed. If the due date for a report falls on a Saturday, Sunday, or legal holiday, the report is due on the next regular business day. This schedule shows the extended deadline where applicable. A report transmitted to the Texas Ethics Commission over the Internet is considered timely filed if it is transmitted *by midnight, Central Time Zone, on the night of the filing deadline*. For most filing deadlines, a report filed on paper is considered timely filed if it is deposited with the U.S. Post Office or a common or contract carrier properly addressed with postage and handling charges prepaid, or hand-delivered to the filing authority by the filing deadline. **Pre-Election Reports:** A report due 30 days before an election and a report due 8 days before an election must be *received* by the appropriate filing authority no later than the report due date to be considered timely filed.

COLUMN II: TYPE OF REPORT (WHO FILES) - This column gives the report type and explains which reporting form to use and which filers are required to file the report.

COLUMN III: BEGINNING DATE OF PERIOD COVERED - This column sets out the beginning date of the time period covered by the report. Use the latest one of the applicable dates. The "date of campaign treasurer appointment" is the beginning date only for the *first* report filed after filing a campaign treasurer appointment. For officeholders recently appointed to an elective office, the beginning date for the first report will be the date the officeholder took office, provided that he or she was not already filing as an officeholder or candidate at the time of the appointment. (*NOTE:* If you are ever confused about the beginning date for a required report, remember this rule: **There should never be gaps between reporting periods and, generally, there should not be overlaps.**)

COLUMN IV: ENDING DATE OF PERIOD COVERED - This column sets out the ending date of the time period covered by the report. The report must include reportable activity occurring on the ending date.

Please consult the CAMPAIGN FINANCE GUIDE FOR CANDIDATES AND OFFICEHOLDERS WHO FILE WITH LOCAL FILING AUTHORITIES or the CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES for further information.

GUIDE TO A LOCAL FILING AUTHORITY'S DUTIES UNDER THE CAMPAIGN FINANCE LAW

This guide explains the responsibilities of local filing authorities (other than county filing authorities) under the Texas campaign finance law, which is set out in title 15 of the Election Code. The Texas Ethics Commission is responsible for interpreting title 15. Under title 15, the campaign finance filing authority for a political subdivision other than a county is the clerk or secretary of the political subdivision's governing body. If the political subdivision does not have a clerk or secretary, the filing authority is the presiding officer of the political subdivision's governing body. You may direct questions about title 15 to the Ethics Commission at (512) 463-5800. You should direct other questions about election law to the Secretary of State at (512) 463-5650 or (800) 252-8683.

Local filing authorities are not expected to be title 15 experts. The Ethics Commission has prepared two filing guides for local filing authorities to distribute to filers: a CAMPAIGN FINANCE GUIDE FOR LOCAL CANDIDATES AND OFFICEHOLDERS WHO FILE WITH LOCAL FILING AUTHORITIES and a CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES. For questions not answered in those guides or in the instructions to forms, filers should call the Ethics Commission. (If you are an elected officeholder, you need to understand your obligations as a *filer* in addition to your obligations as a filing authority.)

PART I. THE ROLE OF THE FILING AUTHORITY

WHAT IS TITLE 15 ABOUT?

The campaign finance law, title 15 of the Election Code, regulates the acceptance of, expenditure of, and reports regarding money in political campaigns by candidates, officeholders, and political committees. There are civil and criminal penalties for violations of title 15. **Title 15 has nothing to do with ballot access.** A violation of title 15 will not keep a person off the ballot nor will it invalidate an election.

WHAT ARE MY RESPONSIBILITIES UNDER THE CAMPAIGN FINANCE LAW?

Forms: You may print the various forms listed in this guide and the accompanying instructions from the Ethics Commission's website at <http://www.ethics.state.tx.us> on the Internet.

You are responsible for copying forms and making them available to filers. You may not charge filers for forms.

Filings: You are responsible for accepting documents that candidates, officeholders, and political committees file under title 15. Always remember to date-stamp a filing and to save postmarks and receipt marks on envelopes.

Code of Fair Campaign Practices: Under chapter 258 of the Election Code, which is known as the Fair Campaign Practices Act, you must provide the following documents to each candidate or political committee that files a campaign treasurer appointment with you: (1) a copy of the Fair

Campaign Practices Act and (2) a form on which the candidate or treasurer of the committee may subscribe to the Code of Fair Campaign Practices (FORM CFCP). The Ethics Commission makes these documents available. See “Forms” above. A candidate or committee treasurer may complete FORM CFCP and file it with you.

No Filing Fees: Section 251.003 of the Election Code states that you may not charge a filing fee for filings required by title 15.

Notices: You are not required to send filers notices to file.

Penalties: You have no responsibility for making sure that candidates, officeholders, or political committees file the required documents; nor do you have authority to penalize a filer for failure to submit a required filing. Filers should be aware, however, that there are penalties for violating title 15. See “Part V. Penalties” in this guide.

Public Access: Forms filed under title 15 are public records and must be made available for public inspection during regular business hours.

School Districts with a Student Enrollment of More Than 15,000 and Located Wholly or Partly in a Municipality with a Population of More Than 500,000. Beginning with campaign finance reports required to be filed on or after January 1, 2012, a school district that meets this enrollment and population criteria is required to post on the school district’s Internet website the reports filed by school board trustees, candidates for school board trustee, and specific-purpose committees that support, oppose, or assist a candidate for or member of the board of trustees in a school district. A report must be posted on the school district’s website not later than the fifth business day after the date the report is filed. Elec. Code § 254.04011.

Retention: You must keep a campaign treasurer appointment for two years *after the campaign treasurer appointment is terminated*. Also, if a candidate or committee treasurer files a form subscribing to the Code of Fair Campaign Practices, you must keep the form for the same period for which you keep the candidate’s or committee treasurer’s campaign treasurer appointment. You must keep other title 15 records for at least two years after filing. If a criminal investigation or proceeding is pending in regard to the election to which title 15 records pertain, you must keep the records until the investigation or proceeding is over. The Texas State Library and Archives Commission can provide general information about records retention and destruction. You may write the Library and Archives Commission at P.O. Box 12927, Austin, Texas 78711-2927. You may call the commission at (512) 463-5460.

Questions from Filers: You are not expected to be a title 15 expert. Filers will find answers to most of their questions either in the instructions to the forms or in the applicable Ethics Commission campaign finance guide. For further information filers may call the Ethics Commission.

WHO FILES WITH ME?

The following individuals and committees file with the filing authority for a political subdivision:

1. Candidates for and officeholders of elective offices of the political subdivision;
2. Specific-purpose committees supporting or opposing candidates for and officeholders of elective offices of the political subdivision; and
3. Specific-purpose committees supporting or opposing a measure to be submitted at an election ordered by an authority of the political subdivision. *See* “Part IV. Specific-Purpose Political Committees” in this guide.

NOTE: A specific-purpose committee that would be required to file with more than one local filing authority may instead file with the Ethics Commission.

WHAT FORMS DO I NEED TO MAKE AVAILABLE?

For most forms, there is a separate instruction guide. ***Remember:*** *always make the appropriate instruction guide available with a form!*

1. FORM CTA and FORM CTA Instruction Guide (Appointment of a Campaign Treasurer by a Candidate)

A person who takes action to gain nomination or election to a public office must file FORM CTA even if the person does not intend to accept campaign contributions or make campaign expenditures. Additionally, before a candidate may raise or spend money for his or her candidacy, the candidate must appoint a campaign treasurer by filing FORM CTA with the appropriate filing authority. For example, a candidate must file a campaign treasurer appointment before paying a filing fee.

2. FORM ACTA and FORM ACTA Instruction Guide (Amendment: Appointment of a Campaign Treasurer by a Candidate)

A candidate uses FORM ACTA to show changes in information on a campaign treasurer appointment.

3. FORM C/OH and FORM C/OH Instruction Guide (Candidate/Officeholder Campaign Finance Report)

Candidates and officeholders use FORM C/OH to file periodic reports of contributions and expenditures. A person who is both a candidate and an officeholder reports all activity on the same FORM C/OH.

4. FORM C/OH-FR and FORM C/OH Instruction Guide (C/OH Report: Designation of Final Report)

A candidate uses FORM C/OH-FR to file a final report when he or she does not intend to accept further campaign contributions or make further campaign expenditures. The Ethics Commission

makes FORM C/OH-FR available as the last page of FORM C/OH; thus the instructions for FORM C/OH-FR are included in the FORM C/OH Instruction Guide.

5. FORM C/OH-UC and FORM C/OH-UC Instruction Guide (Candidate/Officeholder Report of Unexpended Contributions)

Former candidates and officeholders use this form to report the disposition of unexpended contributions.

6. FORM STA and FORM STA Instruction Guide (Appointment of a Campaign Treasurer by a Specific-Purpose Committee)

A specific-purpose political committee uses FORM STA to appoint a campaign treasurer. Before a political committee may accept more than \$500 in political contributions or spend more than \$500 in political expenditures, the committee must appoint a campaign treasurer.

7. FORM ASTA and FORM ASTA Instruction Guide (Amendment: Appointment of a Campaign Treasurer by a Specific-Purpose Committee)

A specific-purpose political committee uses this form to show changes in information provided on a campaign treasurer appointment.

8. FORM SPAC and FORM SPAC Instruction Guide (Specific-Purpose Committee Campaign Finance Report)

The treasurer of a specific-purpose political committee uses this form to file periodic reports of contributions and expenditures.

9. FORM PAC-DR and FORM SPAC Instruction Guide (Political Committee Affidavit of Dissolution)

The treasurer of a political committee files FORM PAC-DR, along with a FORM SPAC designated as a dissolution report, to dissolve the committee. The Ethics Commission makes FORM PAC-DR available as the last page of FORM SPAC; thus the instructions for FORM PAC-DR are included in the FORM SPAC Instruction Guide.

10. FORM CFCP and copy of the Fair Campaign Practices Act

You must provide a copy of FORM CFCP and a copy of the Fair Campaign Practices Act (Election Code chapter 258) to each candidate or political committee that files a campaign treasurer appointment with you.

11. FORM PFS (Personal Financial Disclosure Statement)

Certain local officials are required to file personal financial disclosure statements with local filing authorities. *See* Local Gov't. Code chs. 145, 335; Educ. Code § 11.064; Water Code ch. 60, subch. O.

WHY IS IT SO IMPORTANT TO PROVIDE THE INSTRUCTIONS WITH THE FORMS?

The forms consist mainly of blank spaces. The instructions explain the reporting requirements in detail.

IS THERE OTHER INFORMATION I CAN MAKE AVAILABLE TO FILERS?

The Ethics Commission makes the following guides available for filing authorities to provide to filers.

1. Campaign Finance Guide for Candidates and Officeholders Who File With Local Filing Authorities.
2. Campaign Finance Guide for Political Committees.
3. Campaign Finance Guide for Judicial Candidates and Officeholders.
4. Schedules of Filing Dates.
5. A Guide to Political Advertising: What You Need To Know.
6. A Guide To The Prohibition Against Using Political Subdivision Resources for Political Advertising.

HOW DO I KNOW THE FILING DEADLINES?

Title 15 of the Election Code prescribes the filing deadlines for candidates, officeholders, and treasurers of political committees. Filing schedules are also posted on the Ethics Commission's website at <http://www.ethics.state.tx.us> on the Internet. The filing schedules set out the filing deadlines for semiannual reports and pre-election reports for elections held on uniform election dates. Some elections ordered by a political subdivision may be held on dates other than uniform election dates. The Ethics Commission cannot know in advance the dates of all possible elections called by political subdivisions. If an election arises that is not covered on the schedule, please call the Ethics Commission for assistance in calculating the due dates for pre-election reports.

Deadline on Weekend or Holiday. If the due date for a report falls on a Saturday, Sunday, or legal holiday, the report is due on the next regular business day.

5 p.m. Deadline. The deadline for filing a report is 5 p.m. on the due date.

Delivery by Mail or Other Carrier. For most reporting deadlines, a document is filed on time if it is properly addressed with postage or handling charges prepaid and bears a postmark or receipt mark of a common or contract carrier indicating a time by the deadline.

Pre-Election Reports. A report due 30 days before an election and a report due 8 days before an election must be *received* by the appropriate filing authority no later than the report due date to be considered filed on time.

WHY SHOULD I DATE-STAMP FILINGS AND SAVE POSTMARKS?

Reports are due by certain deadlines, and members of the public or a prosecutor may be interested in knowing whether a particular report was filed on time. A file stamp will show whether a hand-delivery was on time. For other filings, a postmark or receipt mark will show whether the filings were timely.

MAY FILERS USE COMPUTER PROGRAMS TO CREATE REPORTS?

The Ethics Commission makes available computer software for candidates and committee treasurers to use in generating reports required under title 15. Local filers may use the software to generate a report *on paper*, but must add the affidavit required to be used on reports filed on paper and must sign the affidavit. Local filers who have questions about the software should call the Ethics Commission directly.

PART II. CANDIDATES

WHAT MAKES SOMEONE A CANDIDATE?

Any action a person takes to seek nomination or election to public office makes the person a candidate for title 15 filing purposes. A candidate must file a campaign treasurer appointment even if the candidate does not intend to accept campaign contributions or make campaign expenditures. Once a person has filed a campaign treasurer appointment, he or she must file periodic reports of contributions and expenditures as a candidate. The obligation to file reports as a candidate lasts until the person files a final report.

Additionally, a person may not accept a campaign contribution or make a campaign expenditure (even from personal funds) without a campaign treasurer appointment on file.

HOW DOES A CANDIDATE APPOINT A CAMPAIGN TREASURER?

To appoint a campaign treasurer, a candidate files FORM CTA with the appropriate filing authority.

Qualifications of Campaign Treasurer. A candidate may appoint himself, a relative, a friend, or anyone else as campaign treasurer. Under a law that took effect on September 1, 2003, a person is ineligible for appointment as a campaign treasurer if the person is the campaign treasurer of a political committee and has outstanding filing obligations.

Duties of a Candidate's Campaign Treasurer. A candidate's campaign treasurer has no official duties. The candidate, not the campaign treasurer, is required to sign reports. (The treasurer of a political committee is required to file reports for the committee.)

Effective Date of Appointment. If delivered by hand, a campaign treasurer appointment takes effect on the date of delivery. If delivered by mail or common carrier, a campaign treasurer appointment takes effect on the date of the postmark or receipt mark.

Transferring a Campaign Treasurer Appointment. A person who has a campaign treasurer appointment on file with you may wish to begin raising or spending money in connection with a campaign for an office that requires filing with a different filing authority. In that case, the candidate transfers his or her campaign treasurer appointment by filing a new FORM CTA with the new filing authority. The candidate must also attach a certified copy of the old campaign treasurer appointment. This procedure can affect you in two ways: (1) You may receive a FORM CTA with a certified copy of an old campaign treasurer appointment attached, or (2) you may be asked to provide a certified copy of a campaign treasurer appointment on file with you.

Candidate Who Files a Campaign Treasurer Appointment with a New Filing Authority. A candidate who has been filing with you may file a campaign treasurer appointment with a different filing authority. The candidate will need to file a certified copy of his or her political subdivision campaign treasurer appointment with the new filing authority. This ends the person's obligation to file with you *even if he or she continues to hold an office of your political subdivision.*

Example: Jane Doe, a city council member with a campaign treasurer appointment on file with the city secretary, decides to run for the state legislature. She files a campaign treasurer appointment with the Ethics Commission along with a certified copy of her city campaign treasurer appointment. She is no longer required to file title 15 reports with the city secretary. Nonetheless, she may wish to file duplicate copies of reports with the city secretary as long as she holds a city office.

Termination of a Campaign Treasurer Appointment. It is important for you to know the termination date of a campaign treasurer appointment because you must keep a campaign treasurer appointment for two years *after it is terminated.* A campaign treasurer appointment may be terminated by the candidate in three different ways: (1) the candidate files a final report; (2) the candidate appoints a new campaign treasurer; or (3) the campaign treasurer or the candidate notifies you that the appointment is terminated.

An "inactive" campaign treasurer appointment may be terminated by you if the governing body of your political subdivision adopts a process by ordinance or order allowing such termination. A candidate is inactive if the candidate: (1) has never filed or has ceased to file any required campaign finance reports, (2) has not been elected to an office which requires filing a campaign treasurer appointment with you, and (3) has not filed a final report. Before a campaign treasurer appointment may be terminated, the governing body of the political subdivision must consider the proposed termination in a regularly scheduled open meeting.

WHEN DOES A CANDIDATE HAVE TO FILE REPORTS?

Officeholder Who Files a Campaign Treasurer Appointment. An officeholder who files a campaign treasurer appointment *and who did not already have a campaign treasurer appointment on file* must file a report no later than 15 days after filing the campaign treasurer appointment. This

requirement does not apply when an officeholder simply *changes* campaign treasurers. After filing a campaign treasurer appointment and the “15-day” report, the candidate/officeholder files according to the filing schedule for candidates.

Exception. The “15-day” reporting requirement does not apply if the candidate/officeholder had no more than \$500 in contributions or expenditures during the period covered by the report.

Semiannual Reports. A candidate is required to file semiannual reports on January 15 and July 15 of each year on FORM C/OH. A person who is both a candidate and an officeholder (that is, an officeholder who has a campaign treasurer appointment on file) is not required to file two separate reports. Nor is a person required to distinguish between candidate activity and officeholder activity on the report.

No Exception. A person who has a campaign treasurer appointment on file must file semiannual reports, even for reporting periods during which there is no reportable activity and even if the person chose modified reporting.¹

Pre-Election Reports. An opposed candidate in an upcoming election must file pre-election reports. Pre-election reports are due 30 days and 8 days before an election.² A pre-election report must be *received* by the appropriate filing authority no later than the report due date.

An “opposed candidate” is a candidate who has an opponent whose name is printed on the ballot. Pre-election reports are not required if a candidate’s only opposition is a write-in candidate.³

Modified Reporting. An opposed candidate who selects “modified reporting” is not required to file pre-election reports (or runoff reports). **(The selection of modified reporting does not affect a candidate’s obligation to file semiannual reports.)** A candidate is eligible to select modified reporting if he or she does not intend to exceed \$500 in contributions or expenditures in connection with an election. (A candidate has separate \$500 thresholds for a primary, a runoff, and a general election.) A candidate selects modified reporting by signing the appropriate blank on FORM CTA or FORM ACTA.

A “modified filer” who exceeds one of the \$500 thresholds in connection with an election is subject to the regular filing requirements for opposed candidates. If a modified filer exceeds one of the thresholds before the due date for the “30-day” pre-election report, the filer is not required to give special notice; the filer is simply required to file the pre-election reports by the scheduled due dates. A modified filer who exceeds one of the thresholds after the due date for the “30-day” pre-election report must file a report within 48 hours of exceeding the threshold. If the candidate files the “48-hour” report before the due date for the “8-day” pre-election report, he or she must also file an “8-day” pre-election report by the regular due date for that report.

Many filers at the local level select modified reporting. To understand the rules that apply to modified filing, candidates should consult the Ethics Commission’s CAMPAIGN FINANCE GUIDE FOR CANDIDATES AND OFFICEHOLDERS WHO FILE WITH LOCAL FILING AUTHORITIES.

Runoff Reports. A candidate in a runoff must file a runoff report. A runoff report is due no later than the eighth day before the runoff election and must be *received* by the appropriate filing authority no later than the report due date.

Modified Reporting. A candidate who has selected modified reporting and who remains eligible for modified reporting is not required to file a runoff report. (The selection of modified reporting does not affect a candidate's obligation to file semiannual reports.)

A candidate who has selected modified reporting has \$500 thresholds in connection with the main election and new \$500 thresholds in connection with a runoff.

Annual Reports of Unexpended Contributions. A person who files a final report is no longer a candidate for title 15 purposes. If the person has surplus funds or assets (and is not an officeholder), he or she must file annual reports of unexpended contributions.

Annual reports are due not earlier than January 1 and not later than January 15 of each year on FORM C/OH-UC. The obligation to file annual reports ends when the former candidate files a report of final disposition of unexpended contributions. Final disposition must be made within six years of filing a final report or leaving office, whichever is later.

Report of Final Disposition of Unexpended Contributions. After a former candidate disposes of all surplus funds and assets, he or she must file a report of final disposition of unexpended contributions, also on FORM C/OH-UC. The former candidate may file this report at any time during the year.

WHEN MAY A CANDIDATE STOP FILING TITLE 15 REPORTS?

Filing a final report⁴ ends a person's obligation to file title 15 reports unless (1) the filer has not yet filed past-due reports, (2) the person is an officeholder, or (3) the person has surplus funds at the time of filing a final report. An officeholder may be required to file title 15 reports as an officeholder. See "Part III. Officeholders. When Does An Officeholder Have To File Reports?" in this guide. A former candidate who is not an officeholder but who has surplus campaign funds must file annual reports of contributions and expenditures. See "Part II. Candidates. Annual Reports of Unexpended Contributions" above.

PART III. OFFICEHOLDERS

This section only applies to an officeholder who does not have a campaign treasurer appointment on file. Once an officeholder files a campaign treasurer appointment, he or she becomes a candidate for purposes of the title 15 filing requirements and must comply with the title 15 requirements applicable to candidates rather than the requirements applicable to officeholders. Note that only a person who has a campaign treasurer appointment on file may accept a campaign contribution or make a campaign expenditure (even from personal funds).⁵

WHAT DOES TITLE 15 HAVE TO DO WITH OFFICEHOLDERS?

Although title 15 is commonly referred to as the *campaign* finance law, it also requires officeholders who are not candidates (in other words, who do not have a campaign treasurer appointment on file) to file reports of officeholder contributions and expenditures.

WHEN DOES AN OFFICEHOLDER HAVE TO FILE REPORTS?

Semiannual Reports. An officeholder is required to file semiannual reports of officeholder contributions and expenditures on January 15 and July 15 of each year. For this report officeholders use FORM C/OH.

Exception for Certain Local Officeholders. There is an exception to the requirement to file semiannual reports for a local officeholder (who does not have a campaign treasurer appointment on file) who did not exceed \$500 in either contributions or expenditures during the reporting period. An officeholder who has a campaign treasurer appointment on file must file semiannual reports even if there is no reportable activity during the reporting period.

Report Required after Appointment of Campaign Treasurer. An officeholder who files an appointment of campaign treasurer (and who did not already have a campaign treasurer appointment on file) must file a report of contributions and expenditures no later than 15 days after filing the appointment, using FORM C/OH. After filing the campaign treasurer appointment and the “15-day” report, the officeholder is subject to the filing requirements applicable to candidates.

Exception. The “15-day” reporting requirement does not apply if the candidate/officeholder had no more than \$500 in contributions or expenditures during the period covered by the report.

Annual Report of Unexpended Contributions. A former officeholder who did not have a campaign treasurer appointment on file at the time of leaving office may be required to file annual reports of unexpended contributions. This requirement applies if the former officeholder retained surplus political funds or assets at the time of filing his or her last required report of contributions and expenditures. The former officeholder may not retain surplus political funds or assets for more than 6 years after leaving office.

Annual reports of unexpended contributions are due not earlier than January 1 and not later than January 15 of each year. The reports, on FORM C/OH-UC, cover the preceding calendar year. A report is due regardless of whether there is any reportable activity. The obligation to file annual reports ends when the former officeholder files a report of final disposition of unexpended contributions.

Report of Final Disposition of Unexpended Contributions. Once a former officeholder disposes of surplus funds and assets, he or she must file a report of final disposition of unexpended contributions. A former officeholder may file this report at any time during the year. For this report former officeholders use FORM C/OH-UC.

Officeholder Who Files a Campaign Treasurer Appointment with a Different Filing Authority.

An officeholder (who does not have a campaign treasurer appointment on file) may file a campaign treasurer appointment with a different filing authority. This ends the officeholder's obligation to file with you *even if he or she continues to hold an office of the political subdivision.*

PART IV. SPECIFIC-PURPOSE POLITICAL COMMITTEES

WHAT IS A POLITICAL COMMITTEE?

A political committee, commonly referred to as a "PAC," is any group that accepts political contributions or makes political expenditures. Although the term "PAC" may suggest a powerful "special interest" group, a political committee may also be a small group such as two people who get together to raise funds for an old friend who is a candidate for school board.

WHAT IS A SPECIFIC-PURPOSE POLITICAL COMMITTEE?

There are two main types of political committees: general-purpose political committees and specific-purpose political committees. In essence, a general-purpose political committee exists to support or promote a particular political point-of-view or the interests of a certain group, whereas a specific-purpose committee exists to support or oppose specific candidates, officeholders, or ballot measures. It is the filer's responsibility, not your responsibility, to determine whether a committee is a general-purpose committee or a specific-purpose committee. The Ethics Commission's Campaign Finance Guide for Political Committees explains the differences in detail.

WHAT POLITICAL COMMITTEES FILE WITH POLITICAL SUBDIVISIONS?

A specific-purpose committee files with the clerk, secretary, or presiding officer of a political subdivision other than a county if the committee supports or opposes either individual candidates or officeholders who file with the political subdivision or ballot measures on elections called by the political subdivision.⁶ All general-purpose political committees file with the Ethics Commission. It is the filer's responsibility to determine where a political committee files campaign finance reports. The Ethics Commission's Campaign Finance Guide for Political Committees will help filers make this determination.

Note for School Districts: Beginning on September 1, 2015, a specific-purpose committee created to support or oppose a measure on the issuance of bonds by a school district must file all of its *campaign finance reports* with the Ethics Commission. This does not affect the filing requirements for the committee's campaign treasurer appointment.

**WHEN MUST A POLITICAL COMMITTEE FILE
A CAMPAIGN TREASURER APPOINTMENT?**

\$500 Thresholds. A specific-purpose committee must file a campaign treasurer appointment, on FORM STA, before it exceeds \$500 in either political contributions or political expenditures. Once

the committee has filed a campaign treasurer appointment, the treasurer must file periodic reports of contributions and expenditures.

Effective Date. If delivered by hand, a committee's campaign treasurer appointment takes effect on the day of delivery. If delivered by mail or common carrier, the appointment takes effect on the date of the postmark or receipt mark.

Termination of a Committee's Campaign Treasurer Appointment. It is important for you to know the termination date of a committee's campaign treasurer appointment because you must keep a campaign treasurer appointment for two years *after it is terminated*. A committee's campaign treasurer appointment may be terminated by the committee in three different ways: (1) the committee files a dissolution report; (2) the committee appoints a new campaign treasurer; or (3) you receive notification from the committee or the campaign treasurer that the appointment is terminated.

An "inactive" campaign treasurer appointment may be terminated by you if the governing body of your political subdivision adopts a process by ordinance or order allowing such termination. A political committee is inactive if the committee: (1) has never filed or has ceased to file any required campaign finance reports, and (2) has not filed a dissolution report. Before a campaign treasurer appointment may be terminated, the governing body of the political subdivision must consider the proposed termination in a regularly scheduled open meeting.

WHAT ARE THE RESPONSIBILITIES OF A COMMITTEE'S CAMPAIGN TREASURER?

The treasurer of a political committee is responsible for filing the committee's reports of contributions and expenditures. (In contrast, a candidate or officeholder, not his or her campaign treasurer, is responsible for filing candidate and officeholder reports of contributions and expenditures.)

HOW DOES A COMMITTEE CHANGE A CAMPAIGN TREASURER?

A specific-purpose committee changes treasurers by filing an amended appointment of campaign treasurer on FORM ASTA. The new appointment terminates the old appointment. The outgoing treasurer is required to file a termination report on FORM SPAC not later than 10 days after the termination. (A separate termination report is not required if the termination occurs on the last day of a reporting period and the proper report for that period is filed.)

WHAT IF A SPECIFIC-PURPOSE COMMITTEE BECOMES A GENERAL-PURPOSE COMMITTEE?

A change in political activity may mean that a political committee that has been filing with a local filing authority has become a general-purpose committee. This change will require the committee to file a new campaign treasurer appointment with the Ethics Commission. In addition to filing a new campaign treasurer appointment with the Ethics Commission, the committee is required to give notice to the local filing authority of the change in status. The committee should review the Ethics

Commission's CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES to become familiar with the contribution and expenditure limits that arise in connection with the transition.

WHEN DOES THE TREASURER OF A SPECIFIC-PURPOSE COMMITTEE HAVE TO FILE REPORTS?

Semiannual Reports. The treasurer of a specific-purpose committee is required to file semiannual reports by January 15 and July 15 of each year. The treasurer must file semiannual reports even if there is no reportable activity.

Pre-Election Reports. A specific-purpose committee supporting or opposing an opposed candidate in an upcoming election must file pre-election reports. A specific-purpose committee supporting or opposing a ballot measure must also file pre-election reports. Filers use FORM SPAC for pre-election reports, which are due 30 days and 8 days before an election.⁷ (If you are the filing authority for a school district, see the [Note under "What Political Committees File with Political Subdivisions?"](#) in this guide.) A pre-election report must be *received* by the appropriate filing authority no later than the report due date.

For purposes of filing pre-election reports, supporting or opposing a candidate or measure means accepting political contributions or making political expenditures to support or oppose the candidate or measure.

Modified Reporting. The treasurer of a specific-purpose committee that selects "modified reporting" is not required to file pre-election reports (or runoff reports). **(The selection of modified reporting does not affect the treasurer's obligation to file semiannual reports.)**

A committee may select modified reporting if the committee does not intend to exceed \$500 in contributions or expenditures in connection with an election. (A committee has separate \$500 thresholds for a primary, a runoff, and a general election.) A committee selects modified reporting by signing the appropriate blank on FORM STA or FORM ASTA.

A committee that has selected modified reporting must file pre-election reports if the committee exceeds one of the \$500 thresholds. If the committee exceeds one of the thresholds before the due date for a "30-day" pre-election report, the committee is not required to give special notice of that fact; the treasurer is simply required to file the pre-election reports by the scheduled due dates. If the committee exceeds one of the thresholds after the due date for the "30-day" pre-election report, the treasurer must file a report within 48 hours of exceeding the threshold (on FORM SPAC) and then file any pre-election or runoff reports that come due.

Runoff Reports. A specific-purpose committee that supports or opposes a candidate in a runoff election must file a runoff report on FORM SPAC. A runoff report is due no later than the 8th day before the runoff and must be *received* by the appropriate filing authority no later than the report due date.

Modified Reporting. A specific-purpose committee that has selected modified reporting and remains eligible for modified reporting is not required to file a runoff report.

A committee that has selected modified reporting has \$500 thresholds in connection with the main election and additional \$500 thresholds in connection with a runoff.

Termination Report. After the treasurer of a political committee resigns or is replaced, the outgoing treasurer is required to file a termination report on FORM SPAC not later than 10 days after the termination. (A separate termination report is not required if the termination occurs on the last day of a reporting period and the proper report for that period is filed.)

Dissolution Report. A political committee that expects to receive no further political contributions or make no further political expenditures may file a dissolution report on FORM SPAC with FORM PAC-DR attached.

The dissolution report terminates the committee's campaign treasurer appointment and relieves the campaign treasurer of the duty to file additional reports. (In this case, the dissolution report serves as the treasurer's termination report.)

PART V. PENALTIES

As a local filing authority, you have no authority to penalize filers in any way for violations of title 15. Any individual may file a criminal complaint regarding a violation of title 15 with the appropriate county or district attorney. Also, any Texas resident may file a sworn complaint with the Ethics Commission alleging a violation of title 15.

PART VI. FREQUENT QUESTIONS

If you have questions about your responsibilities as a filing authority, call the Ethics Commission. The following list contains questions that local filing authorities frequently ask.

Q. What title 15 documents should I give to a person who says he is interested in running for an office of my political subdivision?

A. In addition to information you provide about getting on the ballot, you should give the person a copy of the Ethics Commission's CAMPAIGN FINANCE GUIDE FOR CANDIDATES AND OFFICEHOLDERS WHO FILE WITH LOCAL FILING AUTHORITIES, FORM CTA and the FORM CTA Instruction Guide.

Q. What should I give to a person who files a campaign treasurer appointment?

A. The person, who is now a candidate for purposes of title 15, will need FORM C/OH and the FORM C/OH Instruction Guide and a Filing Schedule. You are required to give the person a copy of the 1997 Fair Campaign Practices Act, Chapter 258 of the Election Code, and a copy of FORM CFCP. You should also make sure that the person has a copy of the Ethics Commission's

CAMPAIGN FINANCE GUIDE FOR CANDIDATES AND OFFICEHOLDERS WHO FILE WITH LOCAL FILING AUTHORITIES.

Q. What should I give someone who is interested in forming a political committee?

- A. A group that intends to accept political contributions or make political expenditures should get a copy of the Ethics Commission's CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES, FORM STA and the FORM STA Instruction Guide. The group should read the filing guide to determine whether it is a specific-purpose or general-purpose committee.

Q. What should I give to someone who files a campaign treasurer appointment for a political committee?

- A. The treasurer of the political committee will need FORM SPAC and the FORM SPAC Instruction Guide. You are required to give the committee a copy of the 1997 Fair Campaign Practices Act, Chapter 258 of the Election Code, and a copy of FORM CFCP. The treasurer should also have a copy of the Ethics Commission's CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES.

Q. What should I tell a write-in candidate who asks about title 15?

- A. A person who declares himself or herself to be a write-in candidate must file a campaign treasurer appointment and reports of contributions and expenditures.

Q. What do I tell a candidate who says he isn't going to file a campaign treasurer appointment because he is not going to accept campaign contributions?

- A. All candidates must file a campaign treasurer appointment even if a candidate does not intend to accept campaign contributions or make campaign expenditures. Also, the fact that a candidate doesn't accept campaign contributions does not mean that the candidate will have nothing to report. The candidate must report campaign expenditures from personal funds.

A candidate who does not plan to *spend* over \$500 or *accept* more than \$500 in *total contributions* in connection with an election should take the following steps:

1. The candidate should complete FORM CTA and sign the back for modified filing.
2. If a July 15 or January 15 deadline occurs before the election, the candidate must file a report of contributions and expenditures on FORM C/OH.
3. After the election, if the candidate does not intend to accept any further campaign contributions or make any further campaign expenditures (including payment of campaign debts), the candidate should file a report of contributions and expenditures on FORM C/OH and mark it as a Final Report in Box 9, page 1. The candidate should also complete FORM C/OH-FR and submit it along with FORM C/OH. The final report terminates the candidate's appointment of campaign treasurer and ends the person's obligation to file as a candidate. (If

the person won the election, he or she will be subject to the filing requirements applicable to officeholders.)

Q. May a candidate refuse to list the office or seat sought on a campaign treasurer appointment?

A. Yes. A person may decide to start raising money to run for office before the person decides which office to run for.

Q. What do I do if someone files a report after the filing deadline?

A. You should accept the filing.

Q. What do I do if someone files a corrected or amended filing?

A. You should accept the filing. A filer may also wish to file an Ethics Commission Affidavit of Good Faith with the amendment or correction. Filers should call the Ethics Commission if they have questions about corrected reports.

Q. What should I tell a candidate who asks about disclosures on political advertising?

A. Give the filer a copy of the Ethics Commission's GUIDE TO POLITICAL ADVERTISING: WHAT YOU NEED TO KNOW, and A GUIDE TO THE PROHIBITION AGAINST USING POLITICAL SUBDIVISION RESOURCES FOR POLITICAL ADVERTISING.

Q. May I enter into a contract to perform the title 15 functions of another entity?

A. No. An elections services contract may not change the authority with whom title 15 documents are filed.

Q. If a candidate forms a specific-purpose committee, must the candidate continue to file reports on FORM C/OH?

A. Yes. The candidate and the committee are subject to separate reporting requirements.

ENDNOTES

-
1. See also Part III: Officeholders (Certain officeholders who do not have campaign treasurer appointment on file are excepted from filing semiannual reports).
 2. An opposed candidate in a runoff election is only required to file a pre-election report 8 days before a *runoff* election; there is no "30-day" pre-election report due before a runoff.
 3. A write-in candidate must file a campaign treasurer appointment before accepting campaign contributions or making campaign expenditures. Furthermore, a person who declares himself or herself to be a write-in candidate *is* required to file pre-election reports as long as the write-in candidate has an opponent whose name appears on the ballot.

4. A person terminates a campaign treasurer appointment by filing a final report on FORM C/OH with FORM C/OH-FR attached.
5. Once an officeholder files a campaign treasurer appointment, he or she may use contributions received as an officeholder to make campaign expenditures.
6. A specific-purpose political committee that supports candidates, officeholders, or measures at the political subdivision level may file with the Ethics Commission if it also supports candidates, officeholders, or measures in a jurisdiction other than the political subdivision. For example, a specific-purpose committee that supports a particular candidate for county commissioner and a particular candidate for the city council of a city within the county has two choices of where to file campaign finance reports: (1) The committee may file both with the county election official and with the appropriate city filing authority, or (2) the committee may file with the Ethics Commission only.
7. A political committee is only required to file a report 8 days before a *runoff* election; there is no “30-day” pre-election report required before a runoff.

POLITICAL ADVERTISING

What You Need To Know

The Texas Election Law requires certain disclosures and notices on political advertising. The law also prohibits certain types of misrepresentation in political advertising and campaign communications. This brochure explains what you need to know to insure that your political advertising and campaign communications comply with the law.

If you are not sure what the law requires, do the cautious thing. Use the political advertising disclosure statement whenever you think it might be necessary, and do not use any possibly misleading information in political advertising or a campaign communication. If you are using political advertising or campaign communications from a prior campaign, you should check to see if the law has changed since that campaign.

Candidates for federal office should check with the Federal Election Commission at (800) 424-9530 for information on federal political advertising laws.

NOTICE: This guide is intended only as a general overview of the disclosure statements that must appear on political advertising as required under Chapter 255 of the Election Code, which is distinct from political reporting requirements under Chapter 254 of the Election Code.

REQUIRED DISCLOSURE ON POLITICAL ADVERTISING

I. What Is Political Advertising?

The disclosure statement and notice requirements discussed in this section apply to “political advertising.” In the law, “political advertising” is a specifically defined term. Do not confuse this special term with your own common-sense understanding of advertising.

To figure out if a communication is political advertising, you must look at what it says and where it appears. If a communication fits in one of the categories listed in Part A (below) and if it fits in one of the categories listed in Part B (below), it is political advertising.

Part A. What Does It Say?

1. Political advertising includes communications supporting or opposing a candidate for nomination or election to either a public office or an office of a political party (including county and precinct chairs).
2. Political advertising includes communications supporting or opposing an officeholder, a political party, or a measure (a ballot proposition).

Part B. Where Does It Appear?

1. Political advertising includes communications that appear in pamphlets, circulars, fliers, billboards or other signs, bumper stickers, or similar forms of written communication.
2. Political advertising includes communications that are published in newspapers, magazines, or other periodicals in return for consideration.
3. Political advertising includes communications that are broadcast by radio or television in return for consideration.
4. Political advertising includes communications that appear on an Internet website.

II. When Is A Disclosure Statement Required?

The law provides that political advertising that contains express advocacy is required to include a disclosure statement. The person who causes the political advertising to be published, distributed, or broadcast is responsible for including the disclosure statement.

The law does not define the term “express advocacy.” However, the law does provide that political advertising is deemed to contain express advocacy if it is authorized by a candidate, an agent of a candidate, or a political committee filing campaign finance reports. Therefore, a disclosure statement is required any time a candidate, a candidate’s agent, or a political committee authorizes political advertising.

The precise language of political advertising authorized by someone other than a candidate, the candidate's agent, or a political committee will determine if the advertising contains express advocacy and is therefore required to include a disclosure statement. Generally, the question is whether the communication expressly advocates the election or defeat of an identified candidate, or expressly advocates the passage or defeat of a measure, such as a bond election. The inclusion of words such as "vote for," "elect," "support," "defeat," "reject," or "Smith for Senate" would clearly constitute express advocacy, but express advocacy is not limited to communications that use those words. Similar phrases, such as "Cast your ballot for X," would also constitute express advocacy. Additionally, in 2007, the United States Supreme Court held that an advertisement included express advocacy or its functional equivalent "if the ad is susceptible to no reasonable interpretation other than as an appeal to vote for or against a specific candidate." *FEC v. Wisconsin Right to Life, Inc.*, 127 S.Ct. 2652 (2007). It is a question of fact whether a particular communication constitutes express advocacy. If you are not sure whether political advertising contains express advocacy, do the cautious thing and include the disclosure statement. That way there is no need to worry about whether you have violated the law.

Remember: The concept of "express advocacy" is relevant in determining whether political advertising is required to include a disclosure statement. However, the political advertising laws governing the right-of-way notice, misrepresentation, and use of public funds by political subdivisions will apply to political advertising regardless of whether the advertising contains express advocacy.

III. What Should The Disclosure Statement Say?

A disclosure statement must include the following:

1. the words "political advertising" or a recognizable abbreviation such as "pol. adv."; and
2. the full name of one of the following: (a) the person who paid for the political advertising; (b) the political committee authorizing the political advertising; or (c) the candidate or specific-purpose committee supporting the candidate, if the political advertising is authorized by the candidate.

The disclosure statement must appear on the face of the political advertising.

The advertising should not be attributed to entities such as "Committee to Elect John Doe" unless a specific-purpose committee named "Committee to Elect John Doe" has filed a campaign treasurer appointment with the Ethics Commission or a local filing authority.

IV. Are There Any Exceptions To The Disclosure Statement Requirement?

The following types of political advertising do not need the disclosure statement:

1. t-shirts, balloons, buttons, emery boards, hats, lapel stickers, small magnets, pencils, pens, pins, wooden nickels, candy wrappers, and similar materials;
2. invitations or tickets to political fundraising events or to events held to establish support for a candidate or officeholder;

3. an envelope that is used to transmit political advertising, provided that the political advertising in the envelope includes the disclosure statement;
4. circulars or fliers that cost in the aggregate less than \$500 to publish and distribute; and
5. political advertising printed on letterhead stationery, if the letterhead includes the name of one of the following: (a) the person who paid for the advertising, (b) the political committee authorizing the advertising, or, (c) the candidate or specific-purpose committee supporting the candidate, if the political advertising is authorized by the candidate. (Note: There is also an exception for holiday greeting cards sent by an officeholder, provided that the officeholder's name and address appear on the card or the envelope.)

V. What Should I Do If I Discover That My Political Advertising Does Not Contain A Disclosure Statement?

The law prohibits a person from using, causing or permitting to be used, or continuing to use political advertising containing express advocacy if the person knows it does not include the disclosure statement. A person is presumed to know that the use is prohibited if the Texas Ethics Commission notifies the person in writing that the use is prohibited. If you receive notice from the Texas Ethics Commission that your political advertising does not comply with the law, you should stop using it immediately.

If you learn that a political advertising sign designed to be seen from the road does not contain a disclosure statement or contains an inaccurate disclosure statement, you should make a good faith attempt to remove or correct those signs that have been distributed. You are not required to attempt to recover other types of political advertising that have been distributed with a missing or inaccurate disclosure statement.

VI. The Fair Campaign Practices Act.

The Fair Campaign Practices Act sets out basic rules of decency, honesty, and fair play to be followed by candidates and political committees during a campaign. A candidate or political committee may choose to subscribe to the voluntary code by signing a copy of the code and filing it with the authority with whom the candidate or committee is required to file its campaign treasurer appointment. A person subscribing to the code may indicate that fact on political advertising by including the following or a substantially similar statement:

(Name of the candidate or political committee, as appropriate) subscribes to the Code of Fair Campaign Practices.

VII. Special Rule For Judicial Candidates, Officeholders, and Committees.

Candidates for the Supreme Court, Court of Criminal Appeals, courts of appeals, district courts, statutory county courts (county courts-at-law), and statutory probate courts are required to file a form declaring their intent to either comply with or exceed the voluntary expenditure limits of the Judicial Campaign Fairness Act. A candidate who has declared an intent to comply with the expenditure limits, as well as a specific-purpose committee supporting such a candidate, may state the following in political advertising:

Political advertising paid for by (name of candidate or committee) in compliance with the voluntary limits of the Judicial Campaign Fairness Act.

If a candidate declares an intent to exceed the expenditure limits, however, both the candidate and any specific-purpose committee supporting the candidate must include in their political advertising the following statement:

Political advertising paid for by (name of candidate or committee), (who or which) has rejected the voluntary limits of the Judicial Campaign Fairness Act.

ROAD SIGNS

I. When Is The “Right-Of-Way” Notice Required?

All written political advertising that is meant to be seen from a road must carry a “right-of-way” notice. It is a criminal offense to omit the “right-of-way” notice in the following circumstances:

1. if you enter into a contract or agreement to print or make written political advertising meant to be seen from a road; or
2. if you instruct another person to place the written political advertising meant to be seen from a road.

II. What Should The “Right-Of-Way” Notice Say?

Section 255.007 of the Texas Election Code prescribes the exact language of the notice:

NOTICE: IT IS A VIOLATION OF STATE LAW (CHAPTERS 392 AND 393, TRANSPORTATION CODE) TO PLACE THIS SIGN IN THE RIGHT-OF-WAY OF A HIGHWAY.

III. Do Yard Signs Have To Have The “Right-Of-Way” Notice?

Yes. The “right-of-way” notice requirement applies to signs meant to be seen from any road. The notice requirement assures that a person responsible for placing signs is aware of the restriction on placing the sign in the right-of-way of a highway.

IV. What About Bumper Stickers?

Bumper stickers do not need the “right-of-way” notice. They do, however, need a political advertising disclosure statement.

V. Where May I Place My Signs And How Long May Signs Be Posted?

For information about exactly where you may or may not place signs, or for information regarding the length of time your signs may be posted, check with your city or county government and with the Texas Department of Transportation at (512) 416-2901.

MISREPRESENTATION

I. Are There Restrictions On The Contents Of Political Advertising?

Political advertising and campaign communications may not misrepresent a person’s identity or official title, nor may they misrepresent the true source of the advertising or communication. The election law does not address other types of misrepresentation in political advertising or campaign communications.

Note that the misrepresentation rules apply to both political advertising and campaign communications. “Campaign communication” is a broader term than “political advertising.”

A “campaign communication” means “a written or oral communication relating to a campaign for nomination or election to public office or office of a political party or to a campaign on a measure.”

II. Misrepresentation Of Office Title.

A candidate may not represent that he or she holds an office that he or she does not hold at the time of the representation. **If you are not the incumbent in the office you are seeking, you must make it clear that you are seeking election rather than reelection by using the word “for” to clarify that you don’t hold that office.** The word “for” must be at least one-half the type size as the name of the office and should appear immediately before the name of the office. For example, a non-incumbent may use the following formats:

**Vote John Doe
for Attorney General**

**John Doe
For
Attorney General**

III. Misrepresentation Of Identity Or Source.

A person violates the law if, with intent to injure a candidate or influence the result of an election, the person misrepresents the source of political advertising or a campaign communication or if the person misrepresents his or her own identity or the identity of his or her agent in political advertising or in a campaign communication. (If someone else is doing something for you, that person is your agent.) For example, you may not take out an ad in favor of your opponent that purports to be sponsored by a notoriously unpopular group.

IV. Use Of State Seal.

Only officeholders may use the state seal in political advertising.

Examples of affirmative action include:

ARTICLE 12.04 SIGNS*

Sec. 12.04.001 Purpose

(a) The city council recognizes that in recent years the citizens of the city have supported the expenditure of money to beautify our river area and other parts of the city. It is in great part the beauty and appearance of this city that attracts visitors and permanent residents. In addition, new businesses and industries are increasingly basing their decisions to locate in a particular area on the quality of life in that area. Regulation of visual clutter can help preserve this quality and promote the steady growth that is vital to the continued economic health and prosperity of this city. Furthermore, it is recognized that traffic safety problems are created by the lack of control of the visual environment.

(b) The control and regulation of signs, in a manner which recognizes the right and necessity of businesses to advertise and individuals to express ideas in a public forum, is vital to the goals of preserving the city's physical beauty and safety. An aesthetically pleasing environment adds to the city's quality of life, which in turn serves to attract new business and spawn economic development. The reasonable display of signs is a necessary public service and a necessity for the conduct of commerce and industry. The manner in which signs are displayed and the safety of the general public are directly related to the economic vitality and the aesthetic quality of the surrounding property.

(c) Signs left unregulated are a problem for the residents of the city in the following manner:

- (1) Without abatement, abandoned or damaged signs are hazards to the public's safety and well-being.
- (2) Signs can become a cause of garbage accumulation and an obstruction to light and air to adjoining properties.
- (3) The proliferation of signs without rhyme or reason creates a situation in which the traveling motorist may be so distracted that dangerous driving conditions are created.
- (4) Signs may be visually incompatible with their surroundings, both with the natural environment and with adjoining buildings. This is particularly true in residential districts, the River Corridor and the Fort Concho Historic District.
- (5) Signs located in, or close to, the right-of-way and on corners create view obstructions which contribute to and cause accidents involving automobiles and pedestrians.
- (6) Signs may detrimentally affect adjoining property values, causing said abutting property to become economically less competitive, lowering tax values and contributing to the decline of neighborhoods.

(d) Therefore, the objectives of this article are as follows:

- (1) To assure that each business or individual maintains adequately their right to communicate to the public.

- (2) To insure that the size, location and lighting of each sign meets the standards necessary to protect the health, welfare and safety of the public and preserves the values of adjacent properties.
- (3) To insure that passing motorists or pedestrians can be adequately informed by signs providing information and directions.
- (4) To alleviate the proliferation of sign usage which is detrimental to the growth of the city and the safety and welfare of citizens traveling on city streets.
- (5) To encourage businesses to provide an attractive means of informing, directing and attracting the shopper and prospective client.
- (6) To protect and enhance the physical appearance of the city.

(e) In summary, the city council finds that the visual clutter and confusion of unregulated signs contribute to traffic safety problems, is detrimental to the economic and commercial welfare of the community and detracts from the quality of life in the city. Specifically, control of portable and temporary signs and the placement of such signs reduces the visual clutter caused by portable and temporary sign proliferation and the danger of such signs causing view obstructions and distractions while still allowing for their use on a limited basis. Likewise, limits on the placement of off-site signs meets the aesthetic goal of reducing visual clutter and the general welfare goal of reducing traffic distractions, which are particularly acute in the case of off-site signs with their periodically changing content. Further, the provisions of this article establish minimum standards for signs that directly relate to the use of the property, traffic patterns and safety, the intensity of development and the intent of the various zoning districts. These standards are designed to promote the objectives and goals mentioned above and alleviate the problems caused by signs while preserving the ability of businesses and individuals to advertise and communicate in a reasonable manner while maintaining the public health, safety, welfare and quality of life.
