

Driving Safety Courses

Rev. 7/25/17

Effective January 1, 2011 – Driver Records ordered online from DPS will no longer be mailed.

To complete an Online Driver Record request, you must have a current DL/ID card, a valid credit card, the last four digits of your social security number, adobe reader and a working printer.

Effective September 1, 2015, State law mandates all DSC courses must be a TDLR (Texas Department of Licensing and Regulations) approved course. Local courses are listed below. If you wish to complete a course that is not in San Angelo, or an online course, it must be approved by the TDLR. Follow the links below to search for a course in your area.
