Street Light Petition

Date: _____

Attn: Kevin Pate, P.E., City Engineer
City of San Angelo
Engineering Services Division
301 West Beauregard Avenue
San Angelo, TX 76903

We, the undersigned property owners, hereby request that a street light be installed on the street indicated below. We also hereby agree to grant American Electric Power a written easement for the installation of any necessary underground or overhead wiring along the side of our property if necessary for the installation of the requested street light at no cost to the City of San Angelo.

Proposed Location of Requested Street Light:

Resident Signature	**Address**
