City makes no warranty that the production of goods according to the specification will not give rise to such a claim, and in no event shall City be liable to vendor for indemnification in the event that vendor issued on the grounds of infringement or the like. If vendor is of the opinion that an infringement or the like will result, he will notify City to this effect in writing within two weeks after the signing of the agreement. If City does not receive notice and a claim of infringement is made, vendor will indemnify, defend, and hold harmless City, its Council members, officials, agents, consultants, and employees free and harmless from and against any and all claims, suits, judgments, costs, penalties, fines, damages, and attorneys' fees and expenses asserted by any person or persons. If vendor, in good faith, ascertains that production of the goods in accordance with the specifications will result in infringement or the like, this contract shall be void.

## 1.24. Termination

Performance under this contract may be terminated in whole, or in part by the City in accordance with this provision. Termination performance hereunder shall be effected by the delivery to vendor of a "Notice of Termination" specifying the extent to which performance under this contract is terminated and the date upon which such termination becomes effective.

#### 1.25. Force Majeure

Neither party shall be held responsible for losses resulting if the fulfillment of any terms or provisions of this contract is delayed or prevented by any cause not within the control of the party whose performance is interfered with, which by the exercise of reasonable diligence said party is unable to prevent.

#### 1.26. Assignment-Delegation

No right or interest in the contract shall be assigned nor shall any delegation of any obligation made by vendor be valid without the written permission of the City. Any attempted assignment or delegation by vendor shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.

#### 1.27. Waiver

No claim or right arising out of a breach of this contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party.

#### 1.28. Modifications

This contract can be modified or rescinded only in writing signed by both of the parties or their duly authorized agents.

#### 1.29. Interpretation-Parol Evidence

This writing is intended by the parties as a final expression of their agreement and is intended as a complete agreement for dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in this agreement. Acceptance or acquiescence in a course of performance rendered under this agreement shall not be relevant to determine the meaning of this agreement even though the accepting or acquiescing party has knowledge of the performance and opportunity for objection. Whenever a term defined by the Uniform Commercial Code is used in the agreement, the definition contained in the Code is to control.

#### 1.30. Applicable Law

This agreement shall be governed by the Uniform Commercial Code. Whenever the term "Uniform Commercial Code" is used, it shall be construed as meaning the Uniform Commercial Code as adopted in the State of Texas as effective and in force on the date of this agreement.

#### 1.31. Advertising

Vendor shall not advertise or publish, without City's prior consent, the fact that City has entered into this contract, except to the extent necessary to comply with proper requests for information from an authorized representative of the federal, state, or local government.

#### 1.32. Right to Assurance

Whenever one party to this contract in good faith has reason to question the other party's intent to perform, they may demand that the other party give written assurance of its intent to perform. In the event that a demand is made and no assurance is given within five (5) days, the demanding party may treat this failure as an anticipatory repudiation of the contract.

## 1.33. Equal Employment Opportunity

Vendor agrees that during the performance of its contract it will:

- > Treat all applicants and employees without discrimination as to race, color, religion, sex, national origin, marital status, age, or handicap.
- ldentify itself as an Equal Opportunity Employer in all help wanted advertising or request. The vendor shall be advised of any complaints filed with the City alleging that vendor is not an Equal Opportunity Employer. The City reserves the right to consider its reports from its human relations administrator in response to such complaints in determining whether or not to terminate any portion of this contract for which Purchase Orders or authorities to deliver have not been included; however, the vendor is specifically advised that no Equal Opportunity Employment complaint will be the basis for cancellation of this contract for which a Purchase Order has been issued or authority to deliver granted.

All vendors must be Equal Opportunity Employers. Disadvantaged and minority vendors are encouraged to participate.

#### 1.34. Conflict Of Interest

Vendor agrees to comply with the conflict of interest provisions of the City Of San Angelo Charter and Code of Ordinances. Vendor agrees to maintain current, updated disclosure of information on file with the City Clerk throughout the term of the contract.

Chapter 176 of the Texas Local Government Code requires a vendor who enters or seeks to enter into a contract for the sale or purchase of real property, goods, or services with a local governmental entity or local government officer thereof to file a conflict of interests' disclosure questionnaire with the governmental entity prescribed.

A Conflict of Interest Questionnaire Form (CIQ) – included in the bid forms - must be submitted no later than the seventh (7th) business day after the date the vendor begins discussion, negotiation, applies or responds to a request for proposal or bids, or correspondence in writing related to a potential contract with the local governmental entity.

#### 1.35. Certificate of Interested Parties (Form 1295)

In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

#### Filing Process:

On January 1, 2016, the ethics commission made available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. An authorized agent of the business entity must sign the printed copy of the form and have the form notarized. The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

Information regarding how to use the filing application and the application are both available at <a href="https://www.ethics.state.tx.us/whatsnew/elf">https://www.ethics.state.tx.us/whatsnew/elf</a> info form1295.htm. Instructional videos are available under the heading Instructional Videos for Business Entities.

The Form 1295 must be received, signed and notarized, within thirty (30) days of Council award or the contract may be voided.

#### 1.36. Taxes and Permits

Attention is directed to the requirements of the General Conditions regarding payment of taxes and obtaining permits. All taxes that are lawfully assessed against the City or the selected vendor in connection with the work shall be paid by the vendor. The bid prices shall include all such taxes and the costs of all required permits. The City is exempt from State Sales Tax and Federal Excise Tax.

#### 1.37. Examination of Contract Documents

Each vendor shall thoroughly examine and be familiar with this document, specifications, etc. The submission of a bid shall constitute an acknowledgment that the vendor has thoroughly examined and is familiar with the contract documents. The failure or neglect of a vendor to receive or examine any of the contract documents shall in no way relieve them from any obligations with respect to their bid or to the contract. No claim for extra or additional compensation will be allowed based upon a lack of knowledge of any contract document, and the City will in no case be responsible for any loss or for unanticipated costs that may be suffered by the selected vendor as a result of conditions pertaining to the work.

# 1.38. Familiarization with the Type of Work

Before submitting a bid, each prospective vendor shall familiarize itself with the work, local labor conditions and all laws, regulations, and other factors affecting performance of the work. It shall carefully correlate its observations with requirements of this request and otherwise satisfy itself of the expense and difficulties attending performance of the work. The submission of a bid will constitute a representation of compliance by the vendor. There will be no subsequent financial adjustment for lack of such familiarization.

#### 1.39. Site Investigation

The information contained in this document about topography, subsurface soils, subsurface structures, and any quantities based thereon, is furnished solely for the convenience of the respondent as information available at the time. The accuracy of this information is not guaranteed and the vendor is fully and solely responsible to verify pertinent information prior to bid submission. Use of the information provided in no way relieves the vendor or others of any responsibility for loss due to inaccuracies or deviations which may be encountered.

# 1.40. Soils Testing Specifications

The vendor will be allowed to conduct soils investigations within the alignment of the proposed project as they can be coordinated with the City and appropriate landowners during the bid preparation phase. All such investigations must be coordinated through the City.

#### 1.41. Subcontractors and Suppliers

All bids must include a list of proposed subcontractors and suppliers on the form included in the bid forms section. **Vendors are strongly encouraged to explore utilizing area subcontractors and suppliers.** 

When requested by the City, within 24 hours of bid opening, the apparent low vendor, and any other vendor so requested, shall submit a list of all subcontractors they expect to use.

#### 1.41.1. Subcontractor Qualification

Particular consideration will be given to the qualifications of each subcontractor proposed to perform more than 5 percent (5%) of the work.

The successful vendor will submit to the City for acceptance a list of the names of subcontractors and such other persons and organizations (including those who are to furnish materials or equipment fabricated to a special design) identifying that portion of the work to be performed by each subcontractor within fourteen (14) days of the issuance of Notice of Award.

The City will notify the successful vendor in writing if there is objection to any subcontractor, person, or organization on such list.

If the apparent low vendor declines to make any such substitution, the contract shall not be awarded to such vendor, but their declining to make any such substitution will not constitute grounds for sacrificing their bid security. Additional requirements for subcontractors are contained within the Owner's Construction General Conditions of this document.

The failure of the City to make any such objection prior to the execution and delivery of the agreement shall constitute an acceptance of such subcontractor, person, or organization. Such acceptance a subcontractor, person or organization shall not: (1) constitute a waiver of any right of the City to reject defective work, material, or equipment, or work, material, or equipment not in conformance with the requirements of the contract documents; or (2) constitute a waiver of vendor's complete and total liability for any defective work, material, or equipment, or work, material, or equipment not in conformance with the requirements of the contract documents whether or not provided by or performed by any such subcontractor.

If the City registers objection to and refuses to accept a subcontractor, person, or organization list the successful vendor may either (1) submit an acceptable substitute without an increase in their bid price or (2) withdraw their bid. If the City raises objection to a subcontractor, person, or organization after the execution and delivery of the agreement, the vendor will submit an acceptable substitute and the contract price shall be increased or decreased by the reasonable difference in cost occasioned by such substitution and an appropriate Change Order shall be issued. In the event that prior objection is raised as described above, but the vendor fails to submit an acceptable substitute prior to execution and delivery of the agreement, no increase in contract price shall be allowed.

# 1.41.2. Suppliers

The list of subcontractors shall also include the suppliers and manufacturers of the principal items of materials and equipment the vendor expects to use in the work.

#### 1.42. Copies of Contract Documents

The selected vendor to whom a contract is awarded will be furnished, without cost to it, five (5) copies of the specifications and five (5) sets of the drawings, together with all addenda thereto. Additional copies of specifications and drawings may be obtained from the City for a fee.

# 1.43. Performance and Payment Bond

Having satisfied all conditions of award as set forth elsewhere in these documents, the successful vendor shall furnish bond(s) each in a penal sum of at least the full amount of the contract as awarded in the form included in the specifications, which secures the faithful performance of the contract, and for the payment of all persons, firms or corporations to whom the selected vendor may become legally indebted for labor, materials, tools, equipment, or service, of any nature, employed or used by it in performing the work. Such bond(s) shall bear the same date as or a date subsequent to, the date of the contract and be in the name of the prime contractor.

On each such bond the rate of premium shall be stated, together with the total amount of the premium charged. The current power of attorney for the person who signs for any surety company shall be attached to such bond.

The failure of the successful vendor to supply the required bonds within thirty (30) days after the prescribed forms are presented for signature, or within such extended period as the City may grant based upon reasons determined adequate by the City, shall constitute a default, and the City may either award the contract to the next responsible vendor or re-advertise for bids, and may charge against the vendor the difference between the amount of the award and the amount for which a contract for the work is subsequently executed, irrespective of whether the amount due exceeds the amount of the bid security.

Performance and Payment Bonds shall be delivered to the City's Risk Manager.

# 1.44. Waiver of Performance and Payment Bonds

Performance and Payment Bonds may be waived under the following circumstances:

The City may elect, at their option, to waive Payment Bonds if the contract sum is less than fifty-thousand (\$50,000.00) dollars.

The City may elect, at their option, to waive Performance Bonds if the contract sum is one-hundred thousand (\$100,000.00) dollars or less.

#### 1.45. Quantities are Approximate

The quantities named in the bid are approximate only, but these are to be used as a basis for the comparison of bids and to determine the amount of the bonds. However, if a unit price appears to the City to be unbalanced to such an extent that changes in actual quantities required under the contract might result in contract price adjustments which would increase payments to the selected vendor excessively, then the City may take such a condition under consideration in awarding the contract.

#### 1.46. Legal Venue

Tom Green County, Texas

#### 1.47. Funds – Price

The vendor submitting the lowest responsible bid will establish a price agreement with the City. The work will be selected based on the availability of funds. The City reserves the right to award the contract by base bid, alternates, or a combination thereof.

#### 1.48. Claims for Overcharges

Vendor hereby assigns to City any and all claims for overcharges associated with this contract which arise under the antitrust laws of the United States, 15 USCA Section 1 <u>et seq.</u>, and which arise under the antitrust laws of the State of Texas, Tex. Bus. & Com. Code, Section 15.01, et seq.

# 1.49. Piggy-Back Procurements

Other municipalities or public agencies in the State of Texas may be interested in purchasing products as procured through this bid.

Governmental Entities utilizing Inter-Governmental Contracts with the City will be eligible, but not obligated, to purchase materials/services under the contract(s) awarded because of this bid. All purchases by Governmental Entities other than the City will be billed directly to that Governmental Entity and paid by that Governmental Entity. The City will not be responsible for another Governmental Entity's debts. Each Governmental Entity will order their material/services as needed, e.g., Tom Green County, etc.

## 1.50. Price Escalation

Price must be firm for each one (1) year term. A price increase shall at no time be more than what similar volume customers would pay (see Warranty-Price). The vendor must provide the City a thirty (30) day notice for a price escalation request. The vendor must provide cost analysis and/or other documentation to justify any increase, to include industry and industry group level trends and indexes and should not exceed an annual increase of 4% of the originally quoted cost.

The City Manager or their designee may approve a contract term extension with or without a price increase or reduction at their full discretion. An increase in price must be justified in writing or by documentation from the Vendor to the satisfaction of the City Manager or their designee. If no agreement is reached, the City may re-bid the contract.

#### 1.51. Bid Term

Pricing must be valid for at least one hundred eighty (180) days.

# 1.52. Time of Performance

The time of performance will be outlined in the attached draft contract.

## **Vendor Compliance with Reciprocity On Non-Resident Vendors**

Government Code 2252.002 provides that, in order to be awarded a contract as low bidder, a non-resident vendor must bid projects for construction, improvements, supplies or services in Texas at an amount lower than the lowest Texas resident vendor by the same amount that a Texas resident vendor would be required to underbid a non-resident vendor in order to obtain a comparable contract in the state in which the non-resident's principal place of business is located. A non-resident vendor is a contractor whose corporate offices or principal place of business is outside of the state of Texas. This requirement does not apply to a contract involving Federal funds. The appropriate blanks in Section A must be filled out by all out-of-state or non-resident vendors in order for your bid to meet specifications. The failure of out-of-state or non-resident contractors to do so will automatically disqualify that vendor. Resident vendors must check the blank in Section B.
