1. INSTRUCTIONS TO VENDORS

1.1. Interpretations

All questions about the meaning or intent of the bid documents, including specifications shall be submitted to the Purchasing Division in writing. Replies will be issued by addenda and posted on the City's website. Questions received less than a week prior to the date for bid submittals will not be answered. Only questions answered by formal written addenda will be binding. Oral interpretations or clarifications will be without legal effect. The bid invitation number must appear on all correspondence, inquiries, etc. It is the vendor's responsibility to ensure all addenda have been considered prior to bidding.

1.2. Restrictions on Communications

Vendors should not communicate with: 1) elected City officials and their staff regarding the RFB from the time the RFB has been released until the contract is posted as a City Council agenda item; and 2) City employees or agents from the time the RFB has been released until the contract is awarded. These restrictions extend to "thank you" letters, phone calls, emails and any contact that results in the direct or indirect discussion of the RFB and/or bid submitted by vendor. Violation of this provision by vendor and/or its agent may lead to disqualification of vendor from consideration.

Exceptions to the Restrictions on Communication with City employees include:

- Private (non-business) contacts with the City by the vendor's employees acting in their personal capacity;
- Casual social contacts that do not include mention of the RFB;

Vendors may submit written questions concerning this RFB to the email listed below up to a week prior to submission due date. Questions received after the stated deadline will not be answered;

It is required that all questions be sent by email to sapurch@cosatx.us. Please ensure the RFB Number and title are in the subject line. Questions submitted and the City's responses will be published in the form of addenda to the City's web site at www.cosatx.us. Vendor is responsible for calling the City or reviewing the website to determine if any addenda have been issued prior to their submittal. Only questions answered by formal addenda will be binding;

Vendors may provide responses to questions asked of them after responses are received and opened.

Upon completion of the evaluation process, vendors shall receive a notification letter indicating the recommended firm and anticipated City Council agenda date. Vendors desiring a review of the solicitation process may submit a written request no later than five (5) calendar days from the date the letter was sent. Failure to submit a written request before the fifth day is at the risk of the respondent. The letter will indicate the name and address for submission of requests for review.

1.3. Corrections, Additions, or Deletions

Corrections, additions, or deletions to any portion of the RFB will be in the form of written addenda.

1.4. Confidentiality

All bids submitted shall remain confidential. After award, bids will be made available for public inspection. The City shall not be responsible for the confidentiality of any trade secrets or other information contained or disclosed in the bid unless clearly identified as such.

1.5. Bid Items

A bid price shall be indicated for each item and alternative listed therein, or the words "No Bid", "No Charge", or other appropriate phrase shall be entered. The vendor is not required to acknowledge receipt of addenda but shall include all addenda in vendor's response. No alterations in bids or alterations made to the printed forms, by erasures, interpolations, or otherwise will be acceptable unless each such alteration is signed or initialed by the vendor. Failure to consider all addenda prior to submitting a bid shall be at the risk of the vendor.

1.7. Modification or Withdrawal of Bids

Bid pricing **CANNOT** be altered or amended after the closing time. Bids may be modified or withdrawn prior to the closing hour and date, by written notice to the Purchasing Division. A bid may also be withdrawn in person by a vendor or its authorized agent, provided the identity is made known and they sign a receipt for the bid. No bid may be withdrawn after the closing time and date without acceptable reason in writing and with approval of the Purchasing Division.

1.8. Prices

Bids must be firm, however if a vendor believes it necessary to base its price on price adjustment, such a bid may be considered, but only as an alternate bid. Pricing is to be submitted as quantity per unit specified with extended totals, however in the event of a discrepancy in extension, the unit prices shall govern. Pricing shall be entered on the Bid Sheet in ink or typewritten.

1.9. Evaluation Factors

It is **not** the policy of the City to purchase solely on the basis of pricing. In evaluating bids, the following considerations shall be taken into account to determine the lowest responsible bidder:

The security bond must be executed by a surety meeting the requirements set forth in the Owner's Construction General Conditions and in the name of the prime contractor. The bond shall be made payable without condition to the City of San Angelo, Texas. Bid security must be in the name of the company submitting the bid. Bid securities will be deposited within 24-hours of bid submission and a new check from the City will be issued to unsuccessful vendors within thirty (30) business days of the City Council award of bid.

1.14. Security Forfeiture

Failure of the selected vendor to deliver the required contract documents, including the required performance and/or payment bonds and insurance, within thirty (30) days of the Notice of Award to the selected vendor shall be just cause for the City to annul the award and declare the bid and any guarantee thereof forfeited, not as a penalty, but as liquidation of damages to the City.

1.15. Return of Security

The security of the successful vendor will be retained until they have executed the contract agreement and furnished the required bonds and insurance, whereupon bid security will be returned. The security of any vendor whom City believes to have a reasonable chance of receiving the award may be retained by City until the day after the required documents are delivered by the selected vendor to the City but not to exceed ninety (90) days after the bid submittals are due. Bid security by other vendors will be returned within thirty (30) days of when bid submittals are due.

1.16. Order Placement

No material shall be ordered without a Purchase Order and all invoices must reflect the Purchase Order number. City's obligation is payable only and solely from funds available for the purpose of this purchase. Lack of funds shall render this contract null and void to the extent funds are not available and any delivered but unpaid for goods will be returned to vendor by City. Accepting orders without a Purchase Order number shall be at the risk of the vendor.

1.17. Inspections

Inspections shall be at the discretion of the City within the requirements of the City. The vendor shall provide reasonable accommodations to the City for material-related information or inspections as requested by the City.

1.18. Invoices and Payments

Vendor shall submit separate invoices on each Purchase Order that indicate the Purchase Order number and supply agreement, if applicable. Invoices shall be itemized and include a copy of the bill of lading and the freight waybill, when applicable. Payment terms will be outlined in the attached draft contract.

Payment may be withheld by City, at the discretion of the City, to vendor until all required documents pertaining to the sale are received by the City.

1.19. Gratuities

The City may, by written notice to the vendor, cancel this contract without liability to vendor if it is determined by the City that gratuities were offered from an agent or representative of the vendor to any officer or employee of the

City with a view toward securing a contract or securing favorable treatment with respect to the awarding or amending, or the making of any determinations in respect to the performing of such contract. In the event this contract is canceled by City, remedies to recover or withhold the amount of the cost shall be incurred by vendor in providing such gratuities.

1.20. Warranty-Price

The price to be paid by the City shall be that contained in vendor's bid which vendor warrants to be no higher than vendor's current prices on orders by others for products of the kind and specifications covered by this agreement for similar quantities under similar or like conditions and methods of purchase. In the event vendor breaches this warranty, the prices of the items shall be reduced to the vendor's current prices on orders by others, or in the alternative, reduced to the vendor's current prices on orders by others, or in the alternative, City may cancel this contract without liability to vendor for breach or vendor's actual expense.

The vendor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon an agreement or understanding for commission, percentage, brokerage, or contingent fee excepting bona fide employees of bona fide established commercial or selling agencies maintained by the vendor for the purpose of securing business. For breach or violation of the warranty, the City shall have the right in addition to any other right or rights to cancel this contract without liability and to deduct from the contract price, or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

1.21. Warranty-Product

Vendor shall not limit or exclude any implied warranties and any attempt to do so shall render this contract voidable at the option of the City. Vendor warrants that the goods furnished will conform to the specifications, drawings, and descriptions. Any warranties take effect on the contract effective date.

1.22. Safety Warranty

Vendor warrants that the product sold to City shall conform to the standards promulgated by the U.S. Department of Labor under the Occupational Safety and Health Act (OSHA). In the event the product does not conform to OSHA standards, City may return the product for correction or replacement at the vendor's expense. In the event vendor fails to make the appropriate correction within a reasonable time, correction made by City will be at vendor's expense.

1.23. No Warranty by City against Infringements

As part of this contract for sale, vendor agrees to ascertain whether goods manufactured in accordance with the specifications attached to this agreement will give rise to the rightful claim of any third person by way of infringement or the like. City makes no warranty that the production of goods according to the specification will not give rise to such a claim, and in no event shall City be liable to vendor for indemnification in the event that vendor issued on the grounds of infringement or the like. If vendor is of the opinion that an infringement or the like will result, he will notify City to this effect in writing within two weeks after the signing of the agreement. If City does not receive notice and a claim of infringement is made, vendor will indemnify, defend, and hold harmless City, its Council members, officials, agents, consultants, and employees free and harmless from and against any and all claims, suits, judgments, costs, penalties, fines, damages, and attorneys' fees and expenses asserted by any person or persons. If vendor, in good faith, ascertains that production of the goods in accordance with the specifications will result in infringement or the like, this contract shall be void.

1.24. Termination

Performance under this contract may be terminated in whole, or in part by the City in accordance with this provision. Termination performance hereunder shall be effected by the delivery to vendor of a "Notice of Termination" specifying the extent to which performance under this contract is terminated and the date upon which such termination becomes effective.

1.25. Force Majeure

Neither party shall be held responsible for losses resulting if the fulfillment of any terms or provisions of this contract is delayed or prevented by any cause not within the control of the party whose performance is interfered with, which by the exercise of reasonable diligence said party is unable to prevent.

1.26. Assignment-Delegation

No right or interest in the contract shall be assigned nor shall any delegation of any obligation made by vendor be valid without the written permission of the City. Any attempted assignment or delegation by vendor shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.

1.27. Waiver

No claim or right arising out of a breach of this contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party.

1.28. Modifications

This contract can be modified or rescinded only in writing signed by both of the parties or their duly authorized agents.

1.29. Interpretation-Parol Evidence

This writing is intended by the parties as a final expression of their agreement and is intended as a complete agreement for dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in this agreement. Acceptance or acquiescence in a course of performance rendered under this agreement shall not be relevant to determine the meaning of this agreement even though the accepting or acquiescing party has knowledge of the performance and opportunity for objection. Whenever a term defined by the Uniform Commercial Code is used in the agreement, the definition contained in the Code is to control.

1.30. Applicable Law

This agreement shall be governed by the Uniform Commercial Code. Whenever the term "Uniform Commercial Code" is used, it shall be construed as meaning the Uniform Commercial Code as adopted in the State of Texas as effective and in force on the date of this agreement.

1.31. Advertising

Vendor shall not advertise or publish, without City's prior consent, the fact that City has entered into this contract, except to the extent necessary to comply with proper requests for information from an authorized representative of the federal, state, or local government.

1.32. Right to Assurance

Whenever one party to this contract in good faith has reason to question the other party's intent to perform, they may demand that the other party give written assurance of its intent to perform. In the event that a demand is made, and no assurance is given within five (5) days, the demanding party may treat this failure as an anticipatory repudiation of the contract.

1.33. Equal Employment Opportunity

Vendor agrees that during the performance of its contract it will:

- Treat all applicants and employees without discrimination as to race, color, religion, sex, national origin, marital status, age, or handicap.
- Identify itself as an Equal Opportunity Employer in all help wanted advertising or request. The vendor shall be advised of any complaints filed with the City alleging that vendor is not an Equal Opportunity Employer. The City reserves the right to consider its reports from its human relations administrator in response to such complaints in determining whether or not to terminate any portion of this contract for which Purchase Orders or authorities to deliver have not been included; however, the vendor is specifically advised that no Equal Opportunity Employment complaint will be the basis for cancellation of this contract for which a Purchase Order has been issued or authority to deliver granted.

All vendors must be Equal Opportunity Employers. Disadvantaged and minority vendors are encouraged to participate.

1.34. Conflict of Interest

Vendor agrees to comply with the conflict of interest provisions of the City of San Angelo Charter and Code of Ordinances. Vendor agrees to maintain current, updated disclosure of information on file with the City Clerk throughout the term of the contract.

Chapter 176 of the Texas Local Government Code requires a vendor who enters or seeks to enter into a contract for the sale or purchase of real property, goods, or services with a local governmental entity or local government officer thereof to file a conflict of interests' disclosure questionnaire with the governmental entity prescribed.

A Conflict of Interest Questionnaire Form (CIQ) – included in the bid forms - must be submitted no later than the seventh (7th) business day after the date the vendor begins discussion, negotiation, applies or responds to a request for proposal or bids, or correspondence in writing related to a potential contract with the local governmental entity.

1.35. Certificate of Interested Parties (Form 1295)

In 2015, the Texas Legislature adopted [House Bill 1295](#), which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies only to a contract of a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

Filing Process:

On January 1, 2016, the ethics commission made available on its website a new filing application that must be used to file Form 1295. A business entity must use the application to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number. **An authorized agent of the business entity must sign the printed copy of the form and have the form notarized.** The completed Form 1295 with the certification of filing must be filed with the governmental body or state agency with which the business entity is entering into the contract.

Information regarding how to use the filing application and the application are both available at <https://www.ethics.state.tx.us/filinginfo/1295/>. Instructional videos are available under the heading Instructional Videos for Business Entities.

The Form 1295 must be received, signed and notarized, within thirty (30) days of Council award or the contract may be voided.

1.36. Taxes and Permits

Attention is directed to the requirements of the General Conditions regarding payment of taxes and obtaining permits. All taxes that are lawfully assessed against the City or the selected vendor in connection with the work shall be paid by the vendor. The bid prices shall include all such taxes and the costs of all required permits. The City is exempt from State Sales Tax and Federal Excise Tax.

1.37. Examination of Contract Documents

Each vendor shall thoroughly examine and be familiar with this document, specifications, etc. The submission of a bid shall constitute an acknowledgment that the vendor has thoroughly examined and is familiar with this solicitation and the accompanying contract documents. The failure or neglect of a vendor to receive or examine any of the solicitation or contract documents shall in no way relieve them from any obligations with respect to their bid or to the contract. No claim for extra or additional compensation will be allowed based upon a lack of knowledge of any contract document, and the City will in no case be responsible for any loss or for unanticipated costs that may be suffered by the selected vendor as a result of conditions pertaining to the work.

1.38. Quantities are Approximate

The quantities named in the bid are approximate only, but these are to be used as a basis for the comparison of bids and to determine the amount of the bonds. However, if a unit price appears to the City to be unbalanced to such an extent that changes in actual quantities required under the contract might result in contract price adjustments which would increase payments to the selected vendor excessively, then the City may take such a condition under consideration in awarding the contract.

1.39. Performance and Payment Bond

Having satisfied all conditions of award as set forth elsewhere in these documents, the successful vendor shall furnish bond(s) each in a penal sum of at least the full amount of the contract as awarded in the form included in the specifications, which secures the faithful performance of the contract, and for the payment of all persons, firms or corporations to whom the selected vendor may become legally indebted for labor, materials, tools, equipment, or service, of any nature, employed or used by it in performing the work. Such bond(s) shall bear the same date as or a date subsequent to, the date of the contract and be in the name of the prime contractor.

On each such bond the rate of premium shall be stated, together with the total amount of the premium charged. The current power of attorney for the person who signs for any surety company shall be attached to such bond.

The failure of the successful vendor to supply the required bonds within thirty (30) days after the prescribed forms are presented for signature, or within such extended period as the City may grant based upon reasons determined adequate by the City, shall constitute a default, and the City may either award the contract to the next responsible vendor or re-advertise for bids, and may charge against the vendor the difference between the amount of the award and the amount for which a contract for the work is subsequently executed, irrespective of whether the amount due exceeds the amount of the bid security.

Performance and Payment Bonds shall be delivered to the City's Risk Manager.

1.40. Waiver of Performance and Payment Bonds

Performance and Payment Bonds may be waived under the following circumstances:

The City may elect, at their option, to waive Payment Bonds if the contract sum is less than fifty thousand (\$50,000.00) dollars.

The City may elect, at their option, to waive Performance Bonds if the contract sum is one-hundred thousand (\$100,000.00) dollars or less.

1.41. Legal Venue

Tom Green County, Texas

1.42. Funds – Price

The vendor submitting the lowest responsible bid will establish a price agreement with the City. The work will be selected based on the availability of funds. The City reserves the right to award the contract by base bid, alternates, or a combination thereof.

1.43. Claims for Overcharges

Vendor hereby assigns to City any and all claims for overcharges associated with this contract which arise under the antitrust laws of the United States, 15 USCA Section 1 et seq., and which arise under the antitrust laws of the State of Texas, Tex. Bus. & Com. Code, Section 15.01, et seq.

1.44. Piggy-Back Procurements

Other municipalities or public agencies in the State of Texas may be interested in purchasing products as procured through this bid.

Governmental Entities utilizing Inter-Governmental Contracts with the City will be eligible, but not obligated, to purchase materials/services under the contract(s) awarded because of this bid. All purchases by Governmental Entities other than the City will be billed directly to that Governmental Entity and paid by that Governmental Entity. The City will not be responsible for another Governmental Entity's debts. Each Governmental Entity will order their material/services as needed, e.g., Tom Green County, etc.

1.45. Price Escalation

Price must be firm for each one (1) year term. A price increase shall at no time be more than what similar volume customers would pay (see Warranty-Price). The vendor must provide the City a thirty (30) day notice for a price escalation request. The vendor must provide cost analysis and/or other documentation to justify any increase, to include industry and industry group level trends and indexes and should not exceed an annual increase of 4% of the originally quoted cost.

The City Manager or their designee may approve a contract term extension with or without a price increase or reduction at their full discretion. An increase in price must be justified in writing or by documentation from the Vendor to the satisfaction of the City Manager or their designee. If no agreement is reached, the City may re-bid the contract.

1.46. Bid Term

INSTRUCTIONS

1. By signing and submitting this proposal, the prospective vendor is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective vendor shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the determination whether to enter into this transaction. However, failure of the prospective vendors to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the City of San Angelo determined to enter into this transaction. If it is later determined that the prospective vendor knowingly rendered an erroneous certification, in addition to other remedies available, the City of San Angelo may terminate this transaction for cause.
4. The prospective vendor shall provide immediate written notice to the City of San Angelo to which this proposal is submitted if at any time the prospective vendor learns that its certification was erroneous when submitted or has become erroneous because of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "vendor," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549(13 CFR Part 145). You may contact the City of San Angelo for assistance in obtaining a copy of these regulations.
6. The prospective vendor agrees by submitting this proposal that, should the proposed transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the City of San Angelo.
7. The prospective vendor further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment and Suspension" provided by the City of San Angelo, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A vendor in a covered transaction may rely upon a certification of a prospective vendor in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A vendor may decide the method and frequency by which it determines the ineligibility of its principals. Each vendor may, but is not required to, check the Non-procurement List.
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a vendor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
10. Except for transactions authorized under paragraph 6 of these instructions, if a vendor in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the City of San Angelo, the City of San Angelo may terminate this transaction for cause.

Vendor Compliance with Reciprocity on Non-Resident Vendors

Government Code 2252.002 provides that, in order to be awarded a contract as low bidder, a non-resident vendor must bid projects for construction, improvements, supplies or services in Texas at an amount lower than the lowest Texas resident vendor by the same amount that a Texas resident vendor would be required to underbid a non-resident vendor in order to obtain a comparable contract in the state in which the non-resident's principal place of business is located. A non-resident vendor is a contractor whose corporate offices or principal place of business is outside of the state of Texas. This requirement does not apply to a contract involving Federal funds. The appropriate blanks in Section A must be filled out by all out-of-state or non-resident vendors in order for your bid to meet specifications. The failure of out-of-state or non-resident contractors to do so will automatically disqualify that vendor. Resident vendors must check the blank in Section B.

- A. Non-resident Vendors in _____(give state), our principal place of business, are required to be _____ percent lower than resident vendors by state law. A copy of the statute is attached.

Non-resident Vendors in _____ (give state), our principal place of business, are not required to underbid resident vendors.

- B. Our principal place of business or corporate offices are in the State of Texas: _____.
