This review is based upon adopted applicable codes of the City of San Angelo and does not relieve any or all parties from complying with all federal, state, or local rules and regulations that may not have been covered or mentioned. Granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction. You have the right to appeal any administrative decision to the appropriate appeals board. The City of San Angelo has adopted the 2009 International Building Code. I hear by agree, understand, and accept all items listed in this plan review and further understand that this review was based on plans submitted.
