## Use of Restroom Agreement For Mobile Food Establishments

The Mobile Food Establishment owner/operation must ensure that approved toilet facilities are available to employees. The restroom must be readily accessible within one hundred (100') feet of the mobile food service during all times of operation and if at any one location for more than one hour.

The restroom must be provided with adequate hand washing facilities and be fully plumbed to city water and sewer (or an approved septic system). Port-a-Potty units are not allowed. Adequate hot and cold running water must be available. Thorough documentation of restroom accessibility is necessary for Permit approval. Provide documentation noting the route and exact location of the restroom. Indicate how many feet it is from the mobile food unit to the restroom. Restroom keys must be provided for employee use of the restroom if the business hours of the food service are different from the business with the restroom. (ALL these items must be addressed and documented.) Place a check next to which of the following is available at the restroom location:

- Hot water at hand-wash sink(s) at or above 100°F
- Hand washing cleanser:  Liquid  Powder  Bar Soap
- Hand drying provision:  Disposable towels  Heated-air drying device  Continuous clean towel system
- Required sign or poster which notifies food employees to "wash their hands" clearly visible
- Key accessibility to restroom (if applicable)
- Distance from food service to restroom (in feet): \_\_\_\_\_
- Food service hours of operation: \_\_\_\_\_
- If seating is provided, then a plumbed restroom allowing customer access must be available within 100 feet.

This agreement between the owner/agent of the restroom and the owner/vendor of the mobile food unit operation signifies that both parties agree to the allowed use of the restroom facilities as specified. **Note that this agreement is not transferrable. Should there be a change in ownership of either the restroom or mobile food unit owners, or should there be any modification or cancellation of this agreement between parties, then the Environmental Health Division's Food Service permit may be suspended.**
