This item was moved from #6 to #4. Mr. White introduced Mr. Bruce Partain from the Airport Advisory Board and Mr. Jeremy Valgardson, Director of the Airport. Mr. White spoke briefly regarding this art and that the artist is Mr. Alejandro Castanon. Mr. Bruce Partain spoke in detail regarding the idea for this art, project concept, themes, and history of Mr. and Mrs. Powell. He also spoke regarding the exact location where the art would be displayed in the airport. The portrait would be on canvas. 6. Consider the art and its location of a “Sheep Spectacular” sheep at Blaine’s Pub near the intersection of West Harris Avenue and North Chadbourne Street.

Mr. White stated that since Mr. Raul Ruiz is the artist for this sheep he would need to recuse himself from discussion and consideration from this item. In doing so, we would lose our quorum. Therefore, this item was not considered and will be considered at the next meeting.

7. Consider the disposition of the RAN sculpture at Civic League Park.

Mr. White gave updates on the RAN sculpture. A resolution was taken to City Council on May 3, which was not adopted. City Council directed staff to get an assessment of if the sculpture could be repaired and refurbished, and if not, then to develop a plan for the sculpture’s replacement. SKG Engineering provided the City with a quote for

assessing the sculpture but could not warranty their plans for repair and refurbishment, which could cost more than \$25,000. Discussions were held. Ms. Stribling recommended to remove the sculpture and commemorate it, seconded by Mr. Dalglish; the motion passed unanimously.

8. Updates on recently recommended art works, including the water tank murals at Kirby Park and the Bosque, and the storm water drains along Veteran's Memorial Drive.

The water tank murals art project did not progress; the artist backed out for personal reasons. The storm water drains were completed. The paint is peeling off on some of them, and they will be redone.

9. Discuss future agenda items.
