Required Attachments:

The materials listed below are required in order for the Public Art Commission to consider your application. Materials must be submitted a minimum of 2 weeks prior to a meeting date.

- Written description of project, including project concept/themes/history
- Color renderings or photographs of artwork
- Site plan with proposed artwork
- Photographs of site
- Proposed materials (samples when appropriate)
- Detailed budget estimate – please provide details on cost of the project – production costs and installation. Is City support requested? Is the art and installation a gift to the City? Please explain and describe.
- Detailed written description of the fabrication and installation method
- Maintenance and conservation requirements for the artwork
- Artists’ resume
- Other images of artist’s work

I certify that all the application information is true and correct.
