**Replace:**

**6.3 Rejection (3<sup>rd</sup> bullet point)**

In the event that the replacement option is exercised, the material supplier may be required to remove the unacceptable material/items a no expense to the City of San Angelo and to deliver an equal quantity of acceptable material/equipment/services. **The City reserves the option for plant personnel to feed the unsatisfactory product through the system and to be exempt from payment for the non-compliant load.**

**With**

**The City reserves the option for plant personnel to use the unsatisfactory product (levels of available Chlorine falling below 12.5%), through the water reclamation system in higher dosages to remain in compliance with TCEQ quality standards for fecal coliform. When a noncompliance of this nature occurs, the City will notify the vendor and will have a sample of the remaining load tested by our Texas state certified Lab technician to confirm concentration strength. Subsequent payment for non-conforming product will be based, at the City's discretion, on the actual % concentration of the NaOCl as determined by the City Quality Lab.**
