Use of Restroom Agreement For Mobile Food Establishments

The Mobile Food Establishment owner/operation must ensure that approved toilet facilities are available to employees. The restroom must be readily accessible within one hundred (100') feet of the mobile food service during all times of operation and if at any one location for more than one hour.

The restroom must be provided with adequate hand washing facilities and be fully plumbed to city water and sewer (or an approved septic system). Port-a-Potty units are not allowed. Adequate hot and cold running water must be available. Thorough documentation of restroom accessibility is necessary for Permit approval. Provide documentation noting the route and exact location of the restroom. Indicate how many feet it is from the mobile food unit to the restroom. Restroom keys must be provided for employee use of the restroom if the business hours of the food service are different from the business with the restroom. (ALL these items must be addressed and documented.) Place a check next to which of the following is available at the restroom location:

- Hot water at hand-wash sink(s) at or above 100°F
- Hand washing cleanser: Liquid Powder Bar Soap
- Hand drying provision: Disposable towels Heated-air drying device Continuous clean towel system
- Required sign or poster which notifies food employees to "wash their hands" clearly visible
- Key accessibility to restroom (if applicable)
- Distance from food service to restroom (in feet): _____
- Food service hours of operation: _____
- If seating is provided, then a plumbed restroom allowing customer access must be available within 100 feet.
